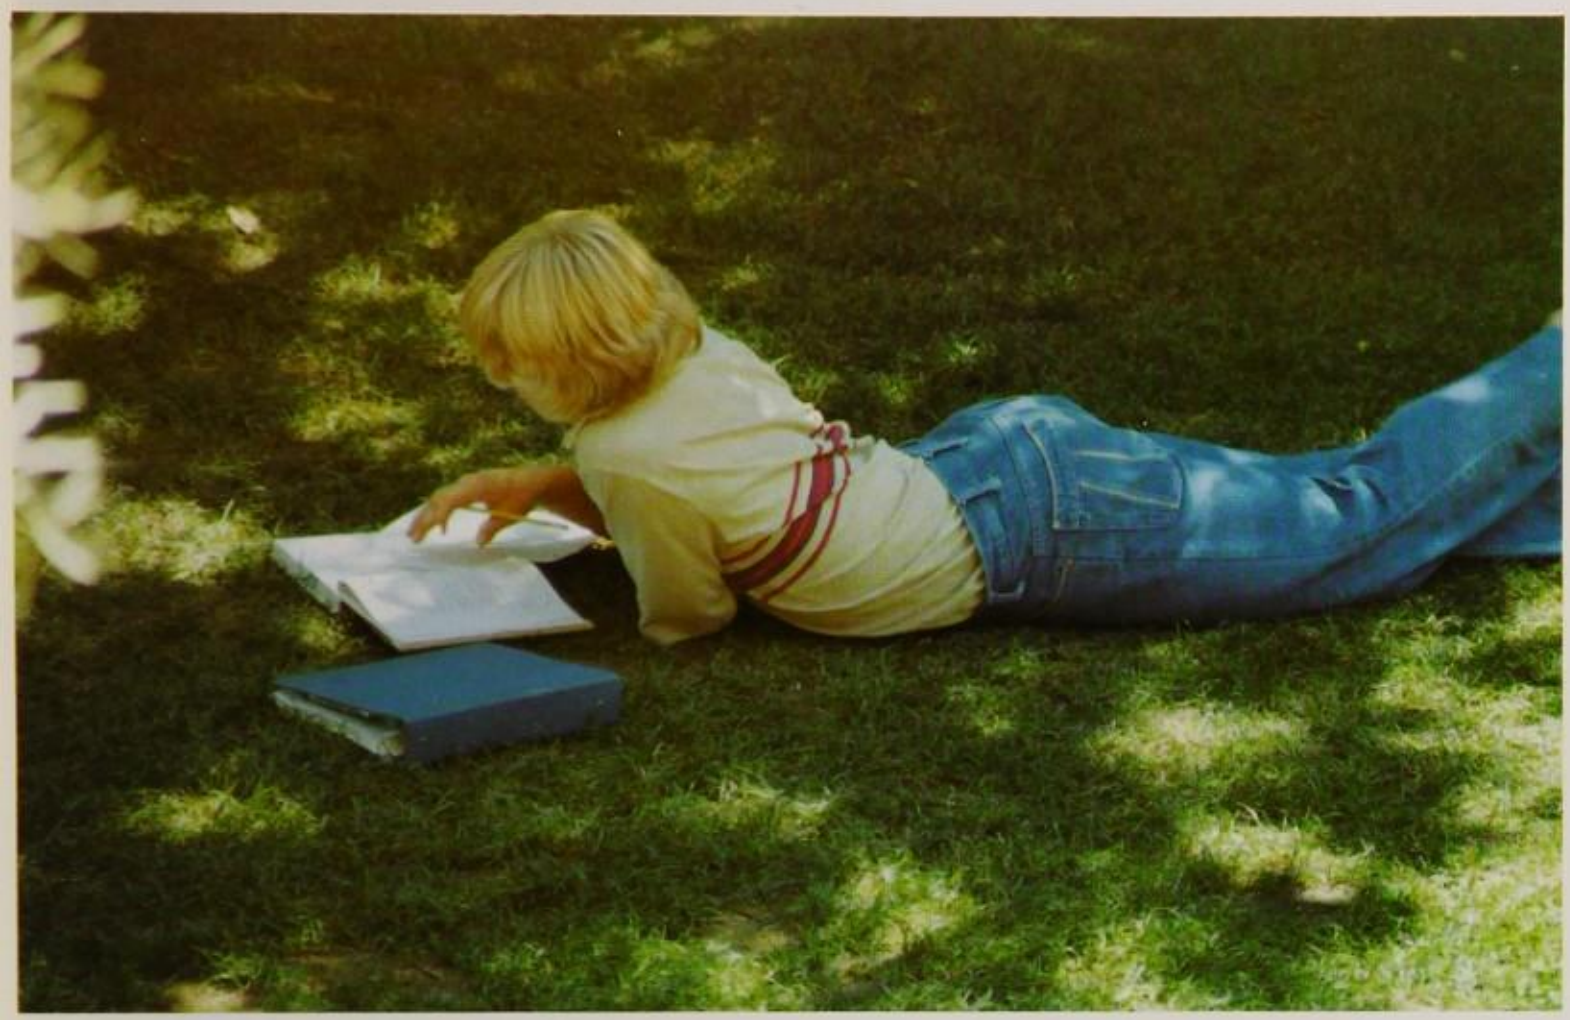
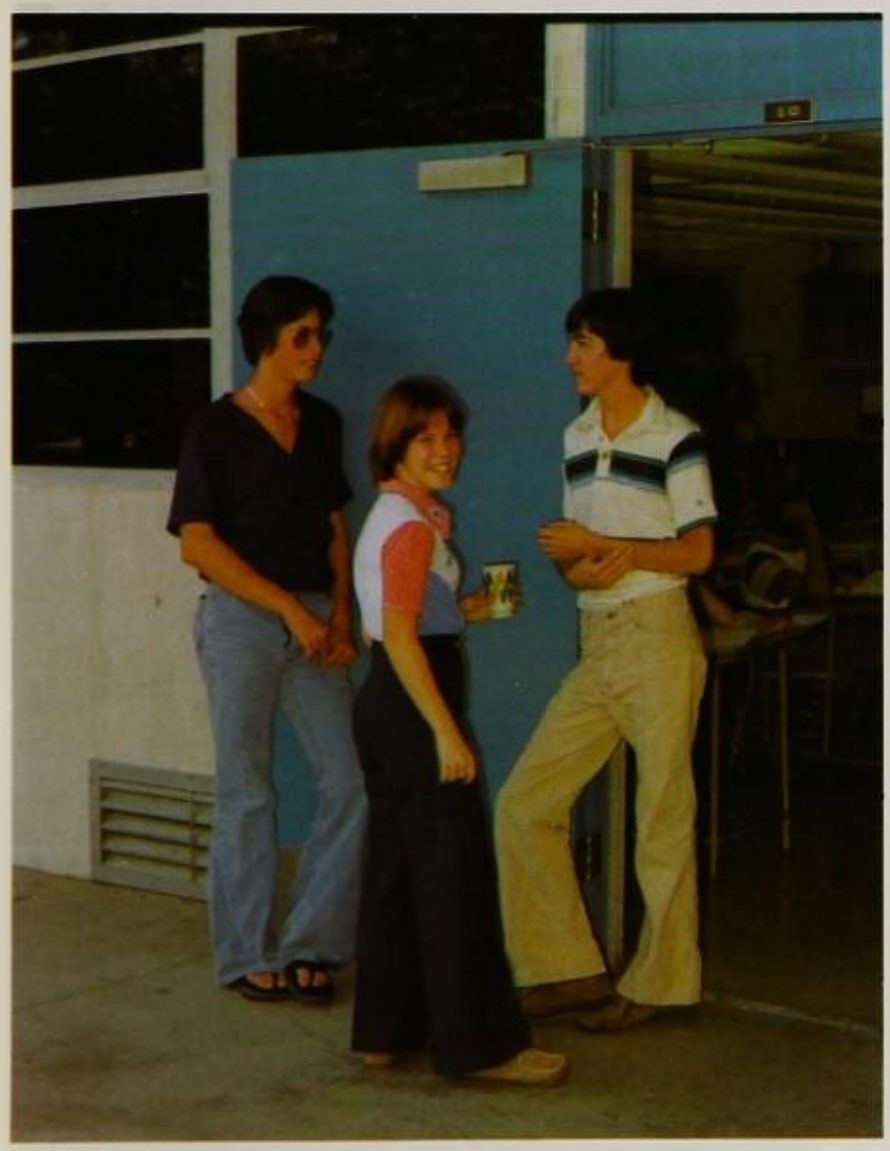
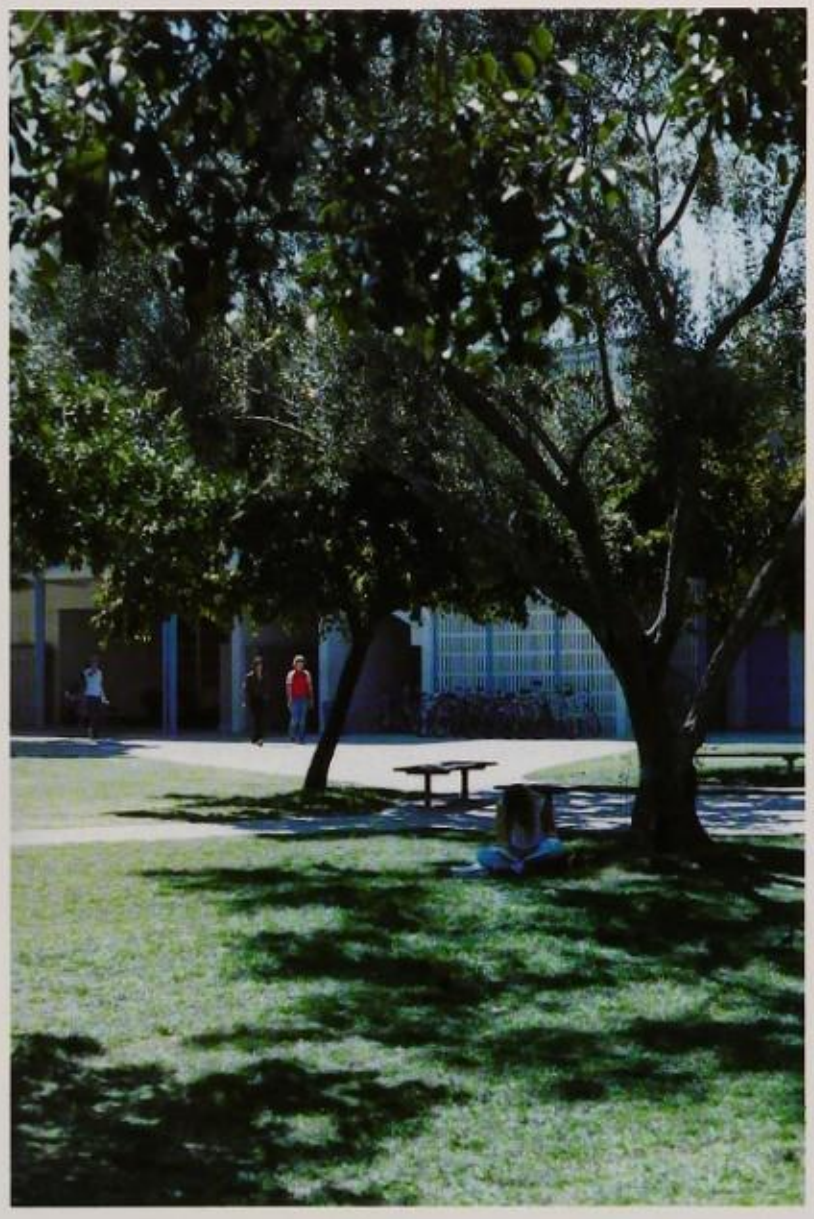
Reflections —

On a spectrum of the diverse and sometimes unexpected. Portraying our visible joy and silent pensiveness in an atmosphere of changing attitudes and emotions.

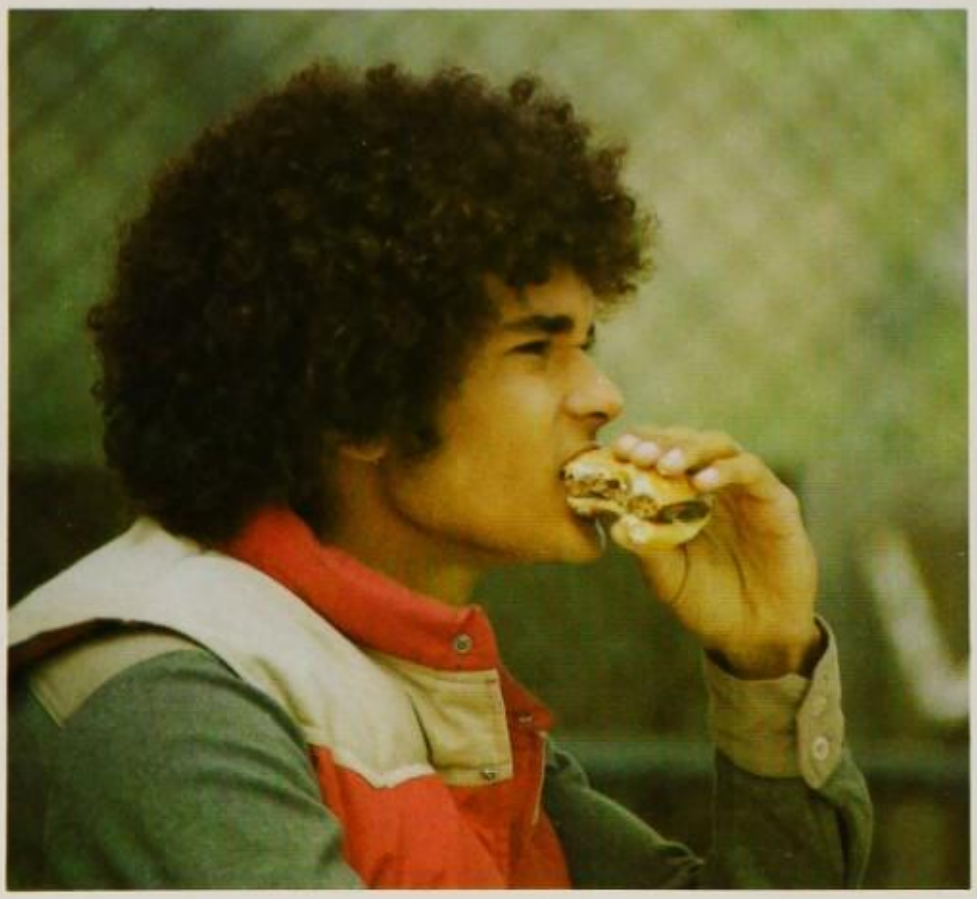
REFLECTIONS



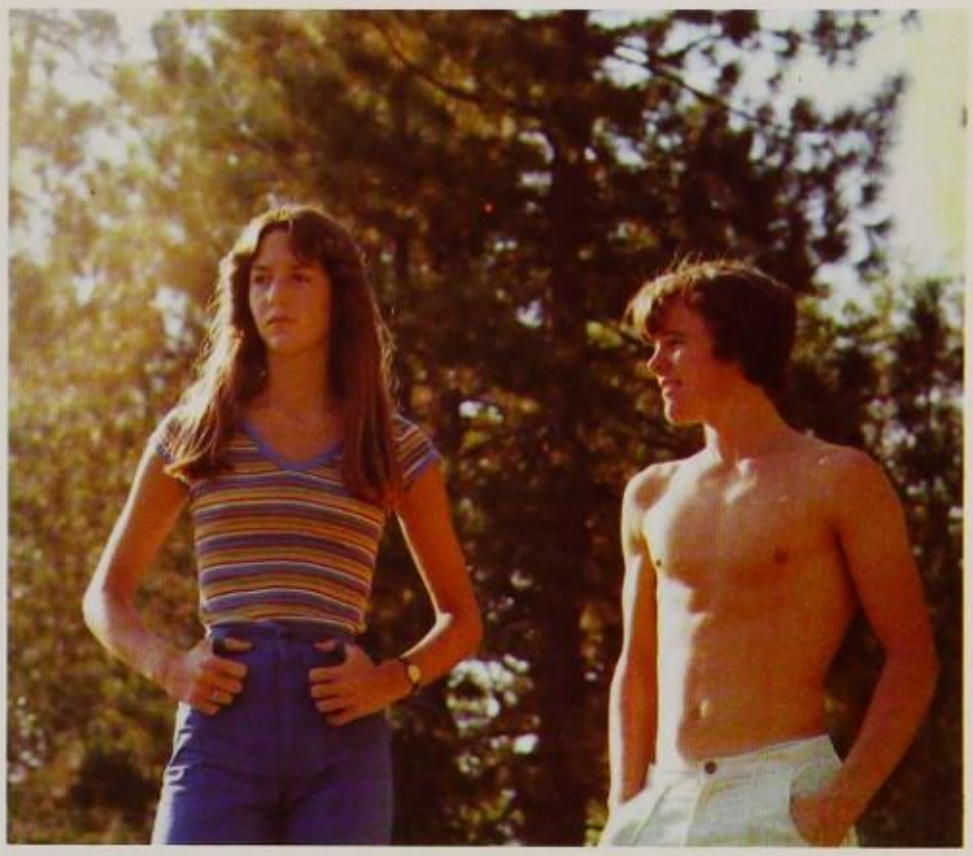




A mirror of the many people and ideas which interact to create an environment of learning, sharing, and growing. The subtle tapestry of our many actions forms an image of cohesiveness in a year of many changes in faculty, curriculum, and student population.



A moment suspended in time,
relating the feelings of the past to
our perceptions of them now.



Expressions of spontaneous emotion reveal an identity which eludes the expected and presents the unrestrained nature we so often mask.

From the quiet of being alone to involvement with others in a stream of activity, each of us communicates his own individuality; whether through participation in school events or a personal commitment to other interests.

Transforming our ideas into reality through a desire to change and improve. Faded concepts were revised into innovative projects in a variety of situations at Leadership Camp and open student discussions.

Reflections —

Of our sentiments as revealed in moments of serenity and silent contemplation. A year molded by the vast and diverse character of who we are and who we strive to be.

Four years ago,
We entered a new world,
We thought the time would never pass.
But now it has come and gone.

Where did all the years go?
It seems as if we've just started.

Yet we have grown in mind and spirit
And are ready to challenge the world before us.
To show them what we've learned
And who we are.
Though we look towards tomorrow,
We also reflect on the past.
For as we step out into life
We are only left with memories
Of a very special time.

REFLECTIONS

What we are
And what we will become
Lies within the year ahead.
Another year to experience
And adjust to
Our changing reality.

We are so much older now
Than we were when we first arrived here.
So much more knowledgeable
And so much more adult.

Yet we are still not ready for the world outside.
An extra year is needed
To dream,
To decide,
To find ourselves before we face
The life before us.

Two years before us,
Two years behind us.
Not children,
Yet not quite adults.

Caught in the transition stage,
Choosing between stepping forward
and holding back.
Leaving the good times behind
In expectation of better —
Meeting new people,
Making more decisions,
Becoming more independent.

The present turns to the past;
Though we are not aware,
Many questions lie still unanswered.
As new experiences unfold,
We learn more about living, about ourselves.
And as we begin to understand,
Our dreams for the future become clearer.

Gina Arico explains to her friend, Chris Hagenburger, why she is so exhausted. She crammed late at night for one particularly painful final.

Sophomores Phyllis Li, Kathleen Rupp, and Katherine Ogawa find that doing homework at lunch has its advantages. Basically, it leaves the after-school hours free for social activities.

Sophomores do the classroom shuffle

Sophomores Glenn Brooker and Catherine Bennett find that walking and talking is more enjoyable than going to English. A classmate behind them also finds an alternative way to avoid class.

Danielle Weinstock goes to her next class in anguish at the thought of the next test she is about to take. Don Sayer doesn't feel the same, knowing she will do well in any case.

Cautious,
Confused,
Afraid,
We began.

We thought we'd never make it
Through the first day of school.
Some people laughed,
Calling us "typical freshmen."
Others forgave our mistakes
And explained that we'd only begun.

But now we know
It's not so very hard.
We've proved ourselves;
We made it through this year.

Confident,
Assured,
And brave,
We stand.

"No man undertakes a trade he has not learned, even the meanest; yet every one thinks himself sufficiently qualified for the hardest of all trades — that of the Government.

Socrates

Enthusiasm and energy are the keynotes of Student Council. Only with these qualities and a good sense of humor can Student Council officers find that twenty-fifth hour to complete the big project or hang the last poster.

Student Council is time-consuming, involves endless paperwork, often means attending a committee meeting the night before finals, and frequently suggests seeing a band show up at 7:50 for an 8:00 dance. But most of all, Student Council is, through all the bureaucracy, through all the nail biting and last minute details, through all the early morning and late nights, a truly rewarding experience.

Student Council appointed officers are a vital part of our campus government. Without the dedicated effort of these officers, many school projects would not be accomplished. They assist all ASB officers by providing ideas and lending enthusiasm and support to those activities affecting our student body.

Leadership Camp creates enthusiasm

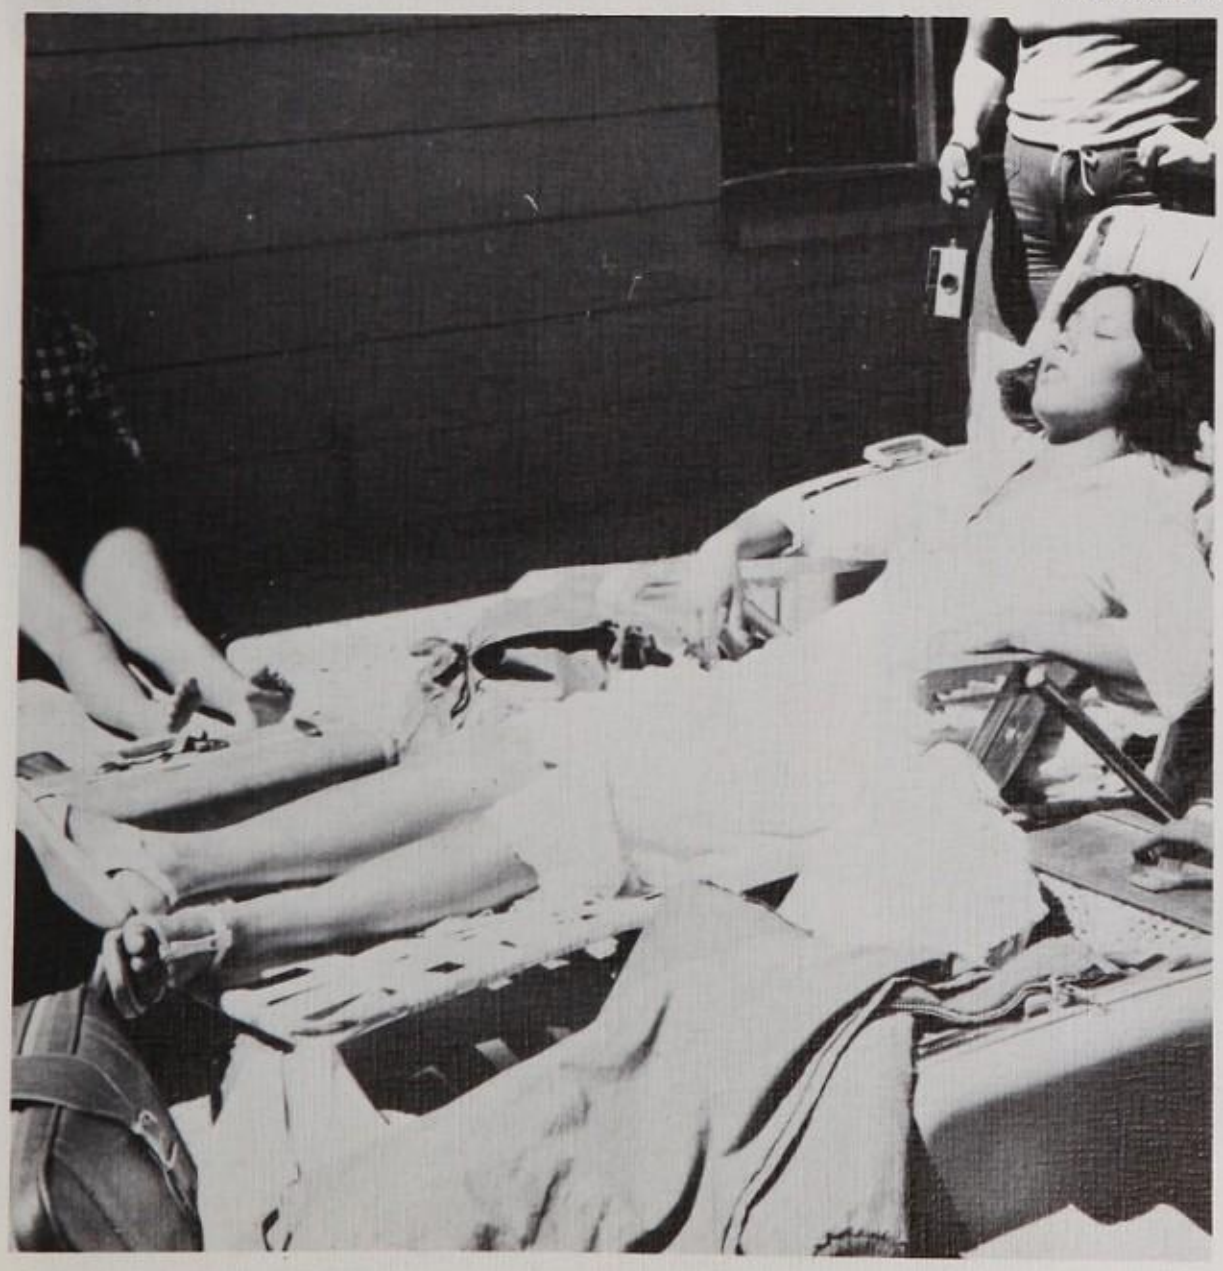
A group of campers make their way back through the woods after a fantastic barbecue held that afternoon.

Chris Gentile and Mitch Adair enjoy Cedar Lake. The site included many historical landmarks, the Old Mill being the most prominent.

Kelli Ratigan gives the photographer a dirty look as she tries to find her suitcase amid all the sleeping bags.

A weary Bill Connelly awaits his ride home after the long bus trip from Leadership Camp.

Is someone below in for a surprise? Renee Ferreira, Erin Boyce, and Vickie Roach are more interested in posing.



Mei Mei Wang catches a little shut-eye before all the activities of Leadership Camp get underway.

Some eighty students, representing all the clubs, organizations, and sports on campus, were involved in this year's Leadership Camp. There were many students who gave up a part of their summer to plan this event. Their efforts were well worth the time. The seminars and discussions were held to formulate plans for the 1978-79 school year. But highlights of the activities also ranged from all-night raids and parties to midnight hikes, boat capsizings, and a questionably talented talent show, not to mention an all-out student-faculty water balloon fight.

In the end, the group came back the richer for their experiences. Individuals had new friends, an abundance of ideas for their special interest, and a lot of motivation for the coming year.

RH has one 'wild and crazy' week

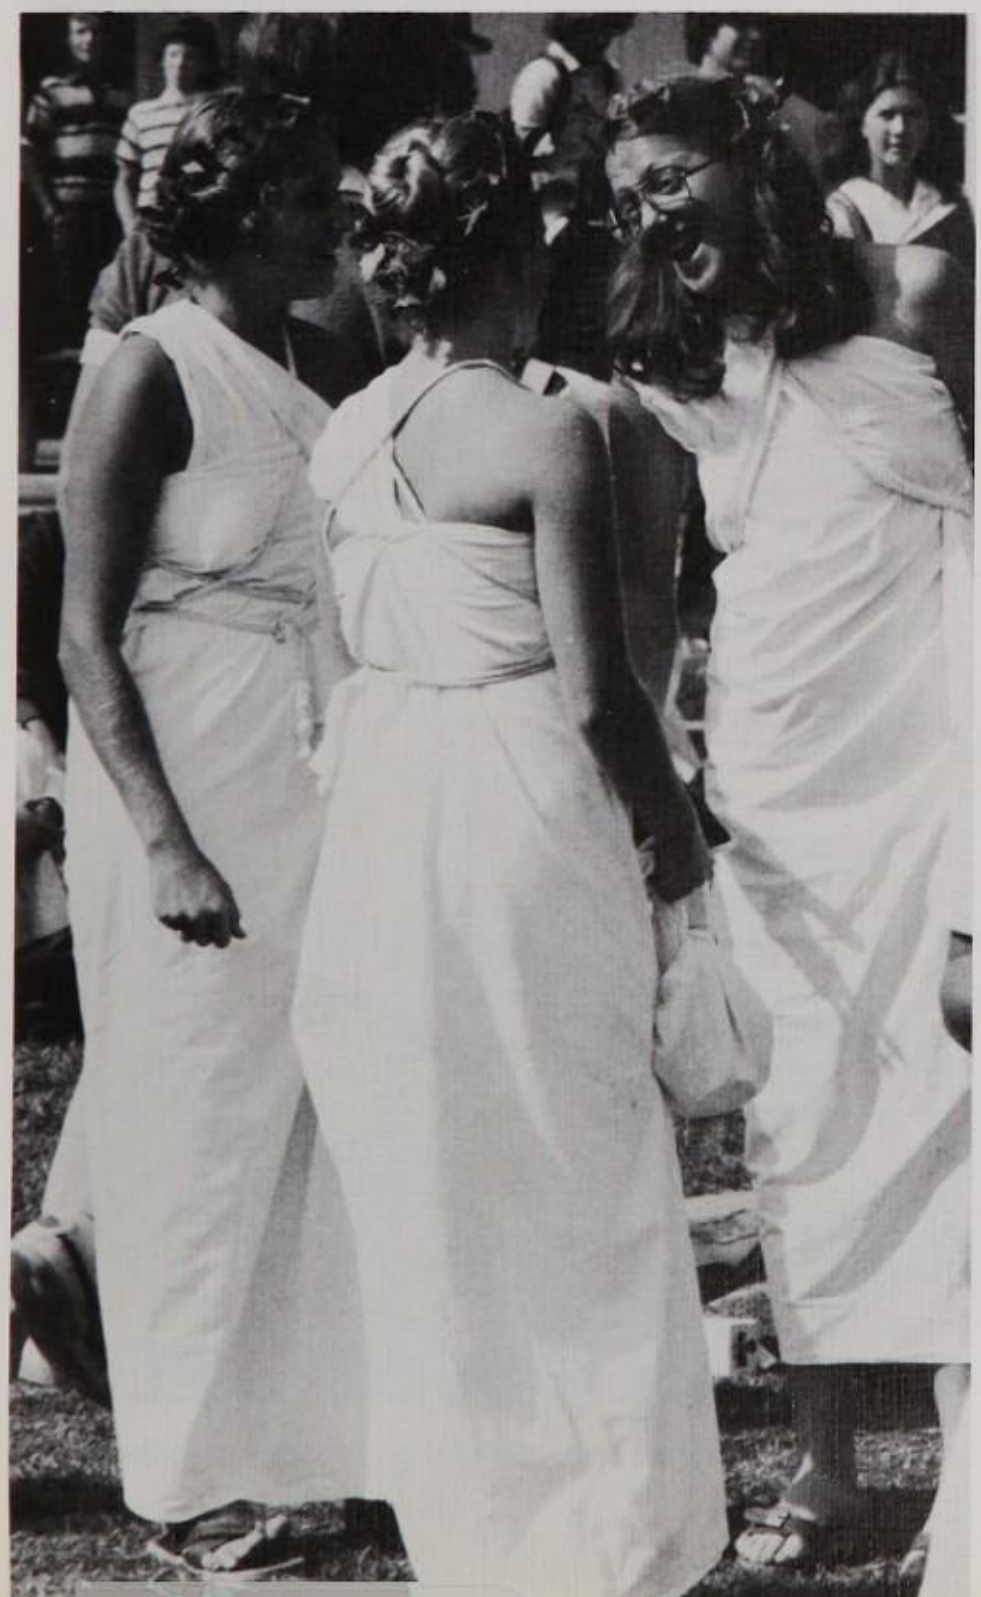
A lucky Titan student receives a cream pie in the face for a high price while the students watch in amusement.

Homecoming is traditionally one of the most exciting events of any school year. This year's theme was Comedy, and with the enthusiasm and spirit the students generated, it turned out to be successful overall.

The week started off with Saturday Night Live Day, which was climaxed by a highly entertaining comedy production. That night, students shared their own unique humor in a funny, irreverent show.

Classical Comedy Day was highlighted by the Choreo Show, performed during single lunch. The third day of Homecoming Week, the Steve Martin craze hit RH as students wore the appropriate Steve Martin trademarks. That same night, Monty Python fans saw the movie, "And Now for Something Completely Different," shown in the gym. Thursday was Animal House Day, with students donning togas in honor of the occasion. Two well-known comedians joined the school that night by enlivening an already funny performance with their jokes.

The week ended with the Homecoming Fair, the game against Centennial, and the victory dance that night.



Choreo performers give a spirited dance rendition as the audience cheers for an encore.

Animal House Day was a popular Homecoming event. Many students wore togas to celebrate the occasion.

Homecoming this year was characterized by active student participation in the Comedy theme. Each day throughout the week was unique. Friday, however, was the highlight of the celebration. After school, students went to the amphitheater to take part in the Homecoming Fair. Each class and many of the clubs had booths which either sold food or provided some special activity. After the Fair was over, students then went to find their spot in the stands for the football game. Numerous alumni watched as the Titan football team crushed Centennial, with a score of 35-6, in what can only be termed a very one-sided game. Following the excitement of seeing our team win, there was a dance in the gym to celebrate the victory. It was a grand finale to the Homecoming festivities for 1978.

The Folksingers' Club attracted large crowds to their booth with their superb voices.

Volunteers put in a lot of time and effort to decorate the gym for the dance. Becky Harper and Jennifer Kan prepare the streamers.

A group of the more enthusiastic fans, some on roller skates, no less, added a jovial note to the afternoon events.

Thespian Club President Nancy Silberman is pictured here portraying the cat in her well-developed character. Her acting skills were much in evidence.

'Story Theatre' presents new dimension in drama

The Drama Department this year established an innovative twist by acting out a number of different scenes from stories in "The Grimm Brothers' Collection" and in "Aesop's Fables." The stories performed were: "The Little Peasant", "The Bremen Town Musicians", "Is He Fat?", "Henny Penny", "The Master Thief", "Venus and the Cat", and "The Fisherman and His Wife."

"Story Theatre" proved to be a phenomenal success; all three evening performances were sell-outs. Students seemed to like this innovation in fall play production.

Cast members included: Vivian Cole, Elizabeth Degenhardt, Janet Deliman, Robert Greif, Judy Martin, Charles Mas, Mike McCullough, Donna Meek, David Merenbach, Todd Nordahl, Bob Pederson, Robert Prior, Michael Rooney, and Nancy Silberman.

The persistent Judy Martin and Nancy Silberman are after Mike McCullough and his goose in the story of "The Golden Goose." This was one of eight scenarios performed during the day.

The cast of the various stories takes a much deserved curtain call. Audience approval for each segment of the play was overwhelming.

Robert Greif and Vivian Cole are photographed during rehearsals for the fall production of "Story Theatre." Both are veteran actors.

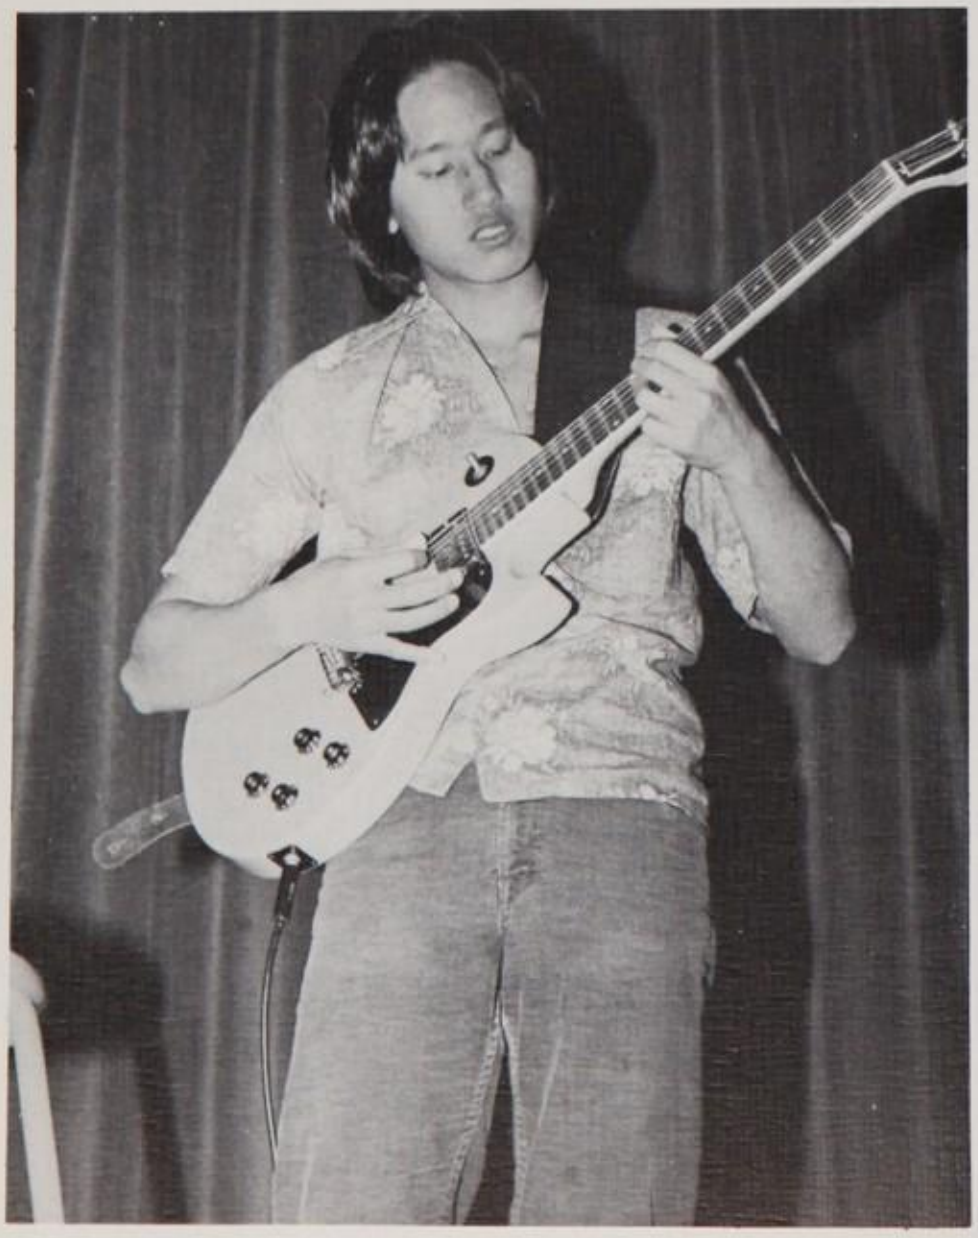
Fall Hootenanny '78 was a popular attraction, as always. The Hawthorne Multi-Purpose Room was filled to capacity with music lovers on the night of December 8th. The show was made up of singing acts, usually to the accompaniment of guitars, and occasionally with some piano back-up. One number that was somewhat out of the ordinary, however, was Larry Kolk's spectacular fire juggling.

Chris Lopin acted as Master of Ceremonies, and he did a very professional job. Returning graduate Carrie Boyce also turned in a polished performance.

Andrea Frias, Russell Olevsky, Leslie Hensley, Darryl Ching, Salena Sweet, and Ellen Peace all added to the evening's entertainment. Many of the performers composed their own lyrics and music.

President of Folksingers' Club, Noel Raymond, and Vice-President, Barbara Boarman, supervised rehearsals and handled advance publicity. Their efforts were rewarded with an unqualified success.

Beautiful Barbara Boarman sings the song, "Geordie," an old Scottish folksong. Boarman has become a regular in Hootenanny shows, and she never fails to delight audiences.



Darryl Ching demonstrates his skill on the electric guitar. He wrote his own "Song for A Hootenanny."

Ellen Peace sings her half of "Anticipation" by Carly Simon. Even though the song called for anticipation, it was hard waiting for such an accomplished act.

The Peninsula Federated Booster Club was formed this year in the wake of Proposition 13 cutbacks. Their avowed purpose has been to restore the athletic program and to offer financial assistance to the drama, band, drill team, and music groups who have suffered a loss of funds as a result of the Jarvis-Gann Amendment. Their two biggest fund raisers, the Peninsula Bowl and the Soccer Festival, were proof of what a dedicated group of community leaders can achieve. The school owes a debt of gratitude to Mrs. Carol Ceragioli and Mr. Larry Zamos for their leadership in this enterprise.

The Songleaders and Cheerleaders have shown themselves to be deserving of these honors at all the many sporting events where they lead the crowd in cheers.

The Formal: an island to remember

This year, the Christmas Formal was based on the theme of Winter Island. The gym was decorated with palm trees and stars to set the scene. The music by "Skogie" helped establish the mood.

Many hours were spent by members of the student body to make the gym look like an appropriate Titan ballroom. The transformation was something to behold.

The band played a variety of musical numbers, from soft, mellow hits to hard rock.

Key Club honored Julie Young as Queen, and Girls' League chose Chris Gentile for King. Other nominees for Key Club Queen included Sue Bender, Fifine Carter, Tracy Deinhart, Joy Halvorsen, and Pam Kellogg. Girls' League nominees for King included Kirk Howard, Fred Tung, Greg Irwin, John Schultz, and John May.

Winter Island, sponsored by Girls' League, was a fantastic escape to a paradise-like place.

Choreo expresses the wonderful world of dance

The 1979 Choreo production was "The Wonderful World of Dance." It really turned out to be wonderful, with jazz predominantly used throughout the show. Ballet, tap, and ballroom dancing were also well executed. The dancers toured the fantasy land with the help of Chris Emmanouilides and Janet Deliman, who acted as Masters of Ceremonies, adding a joke here and there to enliven the show and hold it together. The dances went all through the magic kingdom, from a small world, through inner space, and then back to Main Street. This year was the first year the Choreo had male dancers in its production. They added greatly to the performance. The finale was terrific. The dancers, in Mickey Mouse hats and costumes, filled the stage and produced a high-spirited number which brought down the house with applause.

Julie Anderson and Lisa Santos dance to "Child's Play." Their graceful moves and actions were captured well in the choreography, and they showed great poise.

Anne Winiarski and Sven Toorvald leap across the floor. They exhibited outstanding talent in performing this dance.

Gail Kim and Dawn Melcher have the versatility to show dances of different heritages, dances which are extremely complex. The costumes and stunts fit the dances.

An experienced group of Choreo members demonstrate their highest jazz abilities by warning everyone that something wonderful is coming in "Watch Out World: Here We Come!"

From off in the wings, one can sense the excitement and the rush of adrenaline in "Country Jamboree."

Playing the part of John the Baptist, Bob Pederson baptizes John Allen in a well-acted scene of "Godspell."

Mike Thomason and Licia Rester dance to great songs from the musical.

God puts a spell on RH

The students in the play, "Godspell," prove to all their great acting and producing talents. Together, they pulled off a marvelous show.

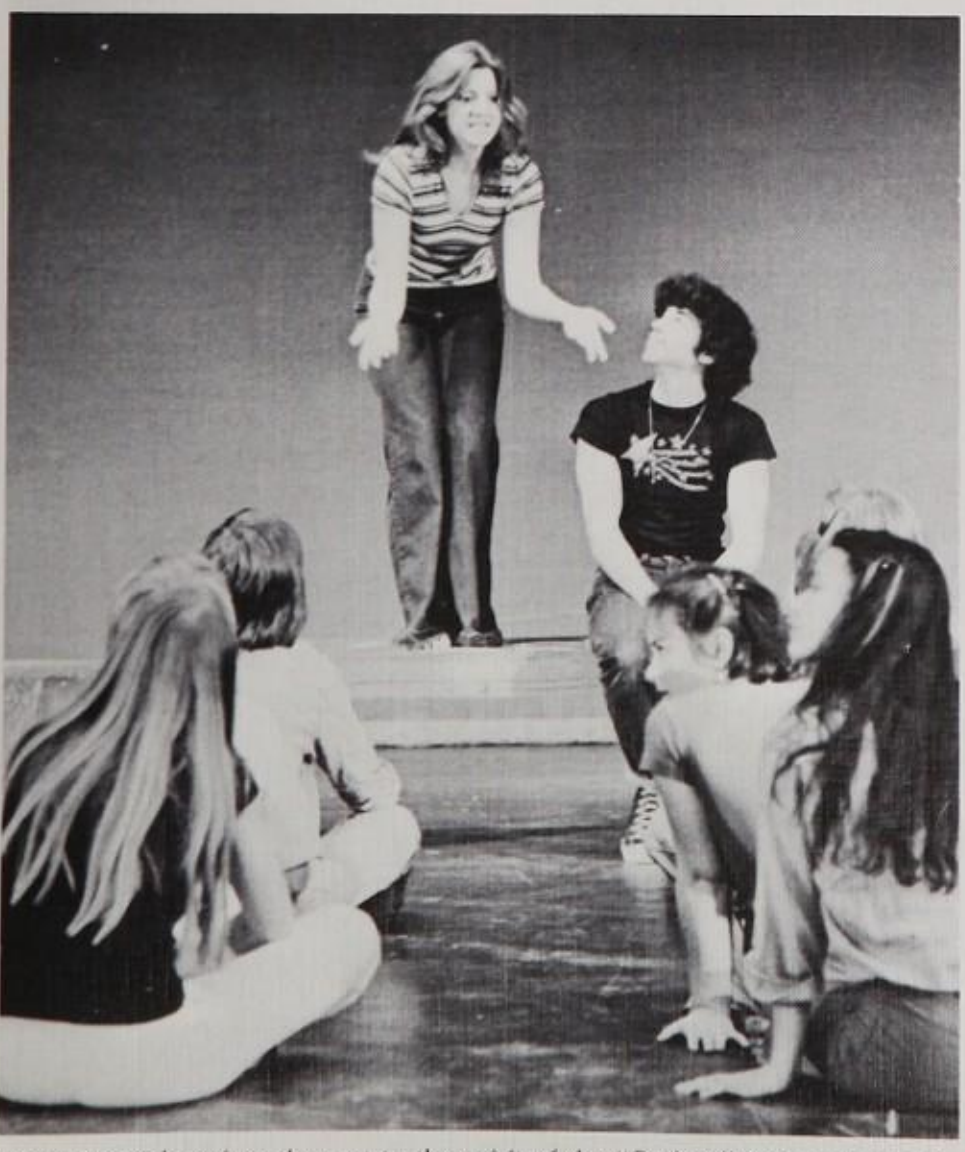
This year's Thespian production, "Godspell," was a musical based on the gospel according to St. Matthew. The production was well-executed and accurately portrayed a modern version of the ancient religious story.

The production was put on by RH students and directed by them, as well. They received little if any outside assistance. The directors of the performance were Michael Thomason, Kate Meade, and Nanci Silberman, with musical direction by Dave Lahey.

Heading the cast as Jesus was James Gorfinkel. The other lead, John the Baptist/Judas, was played by Bob Pederson.

The disciples were John Allen, Vivian Cole, Elizabeth Degenhardt, Robert Greif, Gary Humenik, Diane Merrick, Licia Rester, and Kerrie White.

The chorus included Brooke Barrera, Crystal Melcher, and Michael Thomason.



Diane Merrick revives the cast to the spirit of the "Godspell," according to St. Matthew.

Club Council provides forum for clubs

Club Council has evolved into an active group representing more than forty clubs on campus. It plays a vital role in developing interesting and worthwhile club-sponsored activities for students. The Council helps to unify the many differing types of organizations at RH and coordinates the publicity for their various events. The Council works with clubs to create a platform that allows new ideas to be expressed and implemented. The group meets twice monthly to accomplish its goals: school improvement through the communication of information relevant to clubs and approval of club-planned events and new club charters. Dances, concessions, and the Homecoming Fair are just a few of the many activities participated in by clubs.

Larry Moy, Mark Robertson, and Cindy Scharf hit the books to maintain their grade-point average for CSF. This honorary society has strict requirements for selection.

CSF is a state honorary organization, the selection to which is based solely on the student's semester grade-point average. The purpose of the group is to foster more studious attitudes in high school students in the state of California. The serious faces of the students in the CSF pictures reflect this hard-working drive. The minimum grade requirements are to have a certain number of A's and B's, and a student cannot be a member if he receives a D or F.

As a gift to these outstanding students, for the last few years, the Los Angeles Dodgers have offered local CSF students a chance for free seats at Dodger Stadium.

The CSF students form an elite group because qualifying entails the sacrifice of time, plus an individual must be motivated to excel and perform at an above average rate in all of his classes. Most of these students have a keen awareness of the work and effort required in academic studies and of the importance of scholarship in their lives.

Upcoming concert and new album information is presented for students to plan ahead for the events. Presidents Bob Baldridge and Greg Irwin are aided by Vice-President Mark Robertson and Treasurer Larry Moy.

The Ramblin' Guys are dedicated to keep on ramblin' throughout the years as they do wild and crazy impersonations of Steve Martin, their hero. The wildest rambler is Doane Liu, President. This club is one of the wildest and craziest clubs in campus, and it is definitely among the most popular groups.

DELPHIAN, TITAN, SATORI — three names in outstanding school publications. The DELPHIAN is an award-winning yearbook, created by the dedicated, but frequently crazy, and always unpredictable staff pictured here. This group, led by Editor Cindy Scharf, has consistently won the top honors in state and national competition.

TITAN, the bi-monthly campus newspaper, is headed by Editor Carrie Miller. The paper reports on all school events and also offers commentary on attitudes and problems relevant to RH. It too is ranked tops in its division of newspapers.

SATORI, the school's literary magazine, obtains contributions from students in the form of poetry, short stories, essays, art, and photography and publishes the best of these works in the spring.

QUILL & SCROLL is an honorary organization for journalism students. The group participates in many competitions, and the combined Publications Staffs captured third place in the nation in last year's Convention in San Diego. This year, they plan on walking away with the first place trophy at San Jose in April.

Seventy-five representatives of the club greeted President Carter at LAX and shook his hand. The officers of the club are Mike Schaffer, Greg Horn, and Devin Di Libero.

Football team reaches CIF

Moving at top speed, this Titan ball handler becomes almost a blur as he moves toward the goal line. The Varsity players made a fine showing.

With 22 Varsity lettermen returning, 4 offensive and 5 defensive starters, it was no accident that the Titans finished with a record of 8-1, captured a Bay League Championship, and advanced into the second round of CIF competition.

Beginning the season with the Peninsula Bowl to raise money for athletics, the Titans' offense looked impressive against Palos Verdes and Miraleste. Opening the season against Long Beach Wilson, our team came back after being down at half-time and went on to win the game, 35-22. Victories over Lynwood and Cabrillo followed in quick succession. Opening the league competition, the Titans defeated last year's Bay League Champion, Santa Monica, 35-7.

Defeating West Torrance, 10-3, two weeks later, the Titans' CIF hopes were almost in the bag. Going into the last game of the season against arch rival Palos Verdes with both teams undefeated, the league championship was on the line. In a very physical football game, the Titans triumphed, winning 19-3. Their defense was led by All-League players, Stulman, Apecechea, Moen, and McAdoo. In the first round of CIF, Rolling Hills was seeded first in the tournament; they defeated Dos Pueblos, 24-0, in a rather lackadaisically played game. In the final game of the season, the Titans experienced their only loss. Not only did they lose the game, but their hopes of capturing top CIF honors were dashed by Long Beach Wilson in a contest that ended, 0-14. Nevertheless, they still emerged champions.

Tailback Don Mosich leaps for a pass between two Palos Verdes defenders to receive the ball. Mosich played excellent ball all season and helped lead the Titans to the league championship.

Looking for a hole in the Centennial defense, John Speltz takes the ball from back-up quarterback Ed St. Geme for a run during the Homecoming Game.

Defense, offense show promise

Titan defensive tackle John Stulman tackles the North quarterback as he releases the ball. RH beat North with a score of 34-0.

Led by co-captains John Appleton and Kurt Vandenbrink, the Sophomore Football Team finished with a disappointing 0-8 season in the tough competitive Bay League. After leading 7-0 at half-time against West Torrance, they lost 12-7 in what can only be termed a real heart-breaker.

The team continued to show spirit, however, and some of the outstanding players were running back Kurt Vandenbrink, lineman Rob Prince, and tight end Bill Lundy.

The Freshman Football Team finished the season with a 5-4 record. After a bad experience with Culver City, they got going and won 5 out of their next 7 games. On offense, they were led by running backs Greg Littlejohn and Lowell Hill. Willie Kim was at quarterback. The defense was led by leading tackler Matt Gillette and Hill as linebacker. The defense had 11 interceptions, with 5 coming in one game.

The Rolling Hills Varsity Cross Country Team this year finished second in the powerful Bay League and assured itself of another CIF Preliminary spot for 1978, the fifth consecutive time for RH. However, this year was special. The Titans qualified for CIF finals, the first time in the long fifteen-year history of the school.

Led by team captain and Bay League individual champion, Chris Micek, RH finished the competition in a strong 2nd place position. Tim Lawrence also finished strong in the league behind sophomore sensation Chris Bowlus, who finished 5th in Varsity competition. For their continued performance throughout the season, these three were named Most Valuable Varsity, Most Inspirational, and Most Valuable Sophomore, respectivley.

With only 6 out of the 17 Varsity lettermen graduating, the future looks exceedingly bright for RH Cross Country.

The JV Team finished 2nd place in the Bay League, with a season record of 4-1. Since many of this year's JV competitors were also Varsity runners, there was much depth on the team. Team captain Darryl Hunter, Steve Catena, Rob Vanderlip, John Lee, Vince Calderone, Mike Closson, Mike Fehr, Bill Sullivan, Oliver Enders, and Larry Moy were consistent performers at this level of competition. In invitational meets, the JV's finished 1st at El Camino and 2nd at Dana Hills, Moor Park, and Palos Verdes.

In a crucial race against Palos Verdes, Rob Vanderlip gallantly strides for a dramatic finish at Peck Park. He set a Junior Varsity record on this demanding course.

The 1978 Girls' Varsity finished in 3rd place in the rugged Bay League and qualified for the CIF Prelims for the third consecutive year. In CIF competition, the young team finished in 15th position — the finest team performance in the school's history.

The Varsity was led by Michele Bush, Most Valuable Player, Carol Parszik, Most Improved, and Karen Yee, Most Inspirational. More girls competed on Varsity this year than in any previous season, which testifies to the excellent depth on this squad. Consistent Varsity performers included: Lisa Johnson, Maria Kampa, Dana Cinnamon, Beckie Landon, Sue Saunders, Louise Wetherell, Linda Mun, and Mary Leontis.

The Varsity finished strong in invitational competition, with a 1st place finish at El Camino, 2nd place at Palos Verdes, and 3rd place at both Dana Hills and Mt. San Antonio.

The Junior Varsity Team finished the Bay League as League Champions. They ran undefeated in both dual meet competition (5-0), as well as in the League Championship Meet. In invitational competition, the JV's finished 1st at Mt. San Antonio and 2nd at Palos Verdes. Dana Cinnamon was the JV Bay League Champion in 1978, and she was aided through the fine running of teammates, Carol Conrad, Sue Saunders, Wendy Closson, Linda Mun, Mary Leontis, and Lisa Breisacher.

Harriers run up victories for RH

A total of 5 sophomores earned Varsity letters in 1978 to give some idea of the outstanding talent coming up at RH. Standout Chris Bowlus finished 5th in the Varsity league finals and 6th in the CIF Prelims. John Plummer, the consistent number two man on the team, Tom Lawrence, John Barrett, and Bill Furlong all had the opportunity to gain valuable CIF experience this year. The sophomores finished 2nd in the league, but rallied to win the Bay League championship at the close of the season.

The Freshman Team proved to be one of the strongest ever in the school's history, with an undefeated season in dual meets at 4-0 and a 1st place finish at the Bay League Finals. The Frosh were led by hardworking Bill Burnham, who finished 1st in 9 out of 11 races and was the team's Most Valuable Frosh. Excellent depth and consistency of performance made this team what it was; as many as 7 runners finished in the top ten finishers in invitationals. Mike Petak, league runner-up behind Burnham, also established a perfect scoring season.

In a crucial meet against South, Titan runner Mark Robertson leads the pack at the beginning of a race at Peck Park. Opponents found the Titan course to be very difficult.

Water polo players exhibit unity

Team unity for the 1978 Varsity Water Polo Team certainly attributed to their outstanding performance and their 3rd place in the powerful Bay League. After beating Palos Verdes for the first time in RH history and barely losing 2nd place to El Segundo, the Titans qualified for a CIF berth.

Led by team captain Marc Matulich, the Titans finished with a 10-9 season record, losing in the first round of CIF competition. Ray Menzie was named to All-League First Team, and Bob Conlin and Brent Stolpestad were named to Second Team, All-League.

The JV Water Polo Team finished the season with a 7-2 record. Frieder Schurr was named Most Valuable Player, and John Keller and Edmund Kabelitz were named Most Improved Players. The Frosh/Soph Water Polo Teams ended the year with a 7-5 record, capturing a 5th place in league play. Led by Jeff Meyer, team captain, the Titans had to feel their way around their newly designated league. Meyer was named Most Valuable Player, and Glenn Brooker received the award for the Most Improved Player.

Tennis triumphs

With a final season score of 10-2, the Rolling Hills Girls' Varsity Tennis Team finished 2nd in the Ocean League, trailing closely behind 1st place Culver City. Under the new coaching of Mariana McMullen, the team managed to make the CIF playoffs. Outstanding singles players were Tina Nilsson, Trudy Norton, and Tina Coulbourn. Kelly Campbell and Nancy Honda, Sue Petersen and Monica Raue, and Sue Colodny and Donna Louie led the doubles match with exceptional playing ability.

The Rolling Hills Girls' Volleyball Team enjoyed a splendid 1978 season. Having a 3rd place slot in Ocean League with a 9-5 standing, the team was able to qualify for CIF behind 2nd place Lawndale and 1st place West. In pre-season, Rolling Hills placed 3rd in the Peninsula Invitational, with Laura Wilson being named to the All-Tournament Team. During the regular season, the team was led by the outstanding performances of their co-captains Wilson and Marie Palk. Wilson was named to the First Team, Ocean League. Also recognized for excellent performances were Kristen Lamont, named to Second Team, Ocean League, and Christy Schizas, named to Ocean League, Honorable Mention, along with Palk. Palk was awarded the Coach's Award, and Wilson and Schizas were awarded Outstanding Player Awards. Most Valuable Player Award went to Kristen Lamont.

Basketball fast breaks to 15-8 season

This year's Varsity lived up to its pre-season billing as being an exciting team to watch. The team posted an overall record of 15-8, 3rd best inthe school's history. It also managed to set 8 new school records, including most points scored in a single game (102), as well as the highest scoring average for an entire season (66.5).

During the first week of Christmas vacation, RH defeated both Palos Verdes and Miraleste to lay claim to the King of the Hill title for basketball.

With a 5-1 record, the team headed for Las Vegas, to participate in the Rancho Holiday Classic, and promptly began with an 83-76 win over defending champion Chaparral. Playing hard and well, the Titans lost the next two games to highly regarded Crescenta Valley and Mater Dei. The Titans ended the league with a fine 9-5 mark, one game away from the CIF playoffs. Mitch Adair was named Most Inspirational Player, Jon Tromblay, Most Improved, Chris La Force, Best Defensive, and Kurt Bothner, Most Valuable Player.

The JV squad won the Rolling Hills Invitational, beat Torrance twice, and also beat Santa Monica. The talent and depth of the team, the unity among the players, and running ability were all keys to the season's success.

The Sophomores posted a 12-2 Ocean League record (2nd place) and a 20-3 overall. Brent Robertson was named Most Inspirational Player, Gary Thompson, Best Defensive Player, Rick Jemison, Best Free Throw Shooter, and Brad Bierley, Most Valuable Player.

The Frosh displayed excellent team play from the start of the season in winning four of their first five games, the only loss of the season being to Warren by two points. Jeff Glassmaker was selected to the All-Tournament Team, while Dave Butler was chosen the Most Valuable Player.

Enthusiasm serves new Volleyball Team well

1979 was the first year for the Boys' Volleyball Team, and, as a result, the season got off to a slow start. Varsity players Jeff Cobabe and Steve Di Palma led the team in scoring, and other outstanding players were Rich Warren, Sean Wise, and Jim Willon. Their overall strength kept the team's spirits high.

JV players Scott Shrader, Ted Kracke, and Mike Newsham were strong contributors, although the team as a whole was handicapped by its lack of experience. Coach Dan Clayton was optimistic throughout, however, and with more playing time together, the teams' records seemed likely to improve.

Girls' Basketball Team seeks improvemen

The Girls' Basketball season proved to be a disappointment for the Varsity Team as they lost all league games, except for one, when they beat the Hawthorne Cougars, 48-31. RH started the pre-season in the Bishop Montgomery Tournament where they took the consolation prize. Having two new coaches and many new players resulted in a slow start. Coach Dodson hopes for a more successful season next year since everyone will have had experience playing with one another. With only 4 seniors on the team, there will be a returning Varsity of 7 players.

Soccer soars through season

At a midseason mark, the Boys' Varsity Soccer Team seemed to hold their own in the competitive Bay League, Greg Richardson, one of the high scorers of the team, and the excellence of the defenders, Mark Schimizu and David McCoy, made the difference. The team defeated South, Palos Verdes, and Santa Monica. Andy Atkins, Todd Shrader, Tony Randall, and Ted Hayes were highest scorers in the JV competition, and they brought their team to a 2-3-1 standing. Ken Bremer, Dan Dorfman, and Mike Porter did a good job on defense this year. The team also won the Huntington Beach Tournament this winter. Captain Larry Scott and Co-Captain David Zamos brought the Frosh/Soph Team to a 5-2 season mark. Steve Sharp and Larry Scott were the team's highest scorers. The defenders Irwin Williams, Andy Winje, and Scott Becker did a great job this year.

The Varsity went on to capture the CIF Championship, the most coveted of athletic honors.

The Girls' Varsity Soccer Team greatly improved their record this year with tough playing and high scoring. In their second season, the girls were able to pull out a 3 wins-4 losses record in the Ocean League.

Kelly Campbell played extremely well as both an offensive and defensive player. Mary Skinner kept the backfield tight with outstanding defensive plays to thwart the other team. In the goal, Debbie Herbelin made many spectacular saves.

Fullback Jane Power successfully kicks the ball away from her opponent and moves across the field.

Jeannette Grieco, a returning Varsity player, boots the ball across the field. Grieco made many outstanding offensive plays during the season.

With an evenly balanced league competition and weight problems plaguing them all year, the Rolling Hills Varsity Wrestling Team finished up the season with a 7-win, 3-loss record overall, and a 5-win, 2-loss record in league, enabling the team to capture 3rd place in the league.

Returning Co-Captain and Varsity letterman Steve Appleton was the only CIF contender, and he also was named the Most Outstanding Wrestler of the year. He was eliminated in the first round, however, due to his not feeling well. Highlighting the year was Co-Captain Chris Gentile placing first in the El Camino tournament, one of the toughest tournaments in the South Bay Area, and his placing second in the league finals. Outstanding performances were turned in this year also by John Speltz, Greg Abramowitz, and Brian "Tex" Raizes, all of whom placed second in the league finals. These team members are all juniors as well. Raizes was also named the Most Improved Wrestler of the year.

The Junior Varsity ended the season with a 5-win, 2-loss record, and the team placed 3rd behind Beverly Hills and Santa Monica. They were led by such standouts as Derrick Au and Joe Busch.

With eight seniors leaving this year, the Wrestling Teams will feel the loss, but the JV squad's record shows promise for next year's Varsity hopes.

Captain Steve Appleton works for the far ankle. Appleton started the season late due to illness.

John Speltz chins down his opponent for near fall points in a meet against Aviation. Speltz is only a junior.

Rolling Hills Senior Charles Mas works for the pin in a home meet. Mas was one of the few Varsity returning lettermen to place at El Camino. He captured third.

Chris Gentile, fourth-year Varsity, sets up his opponent for a double leg take-down. Gentile showed his full potential this year by taking first at El Camino.

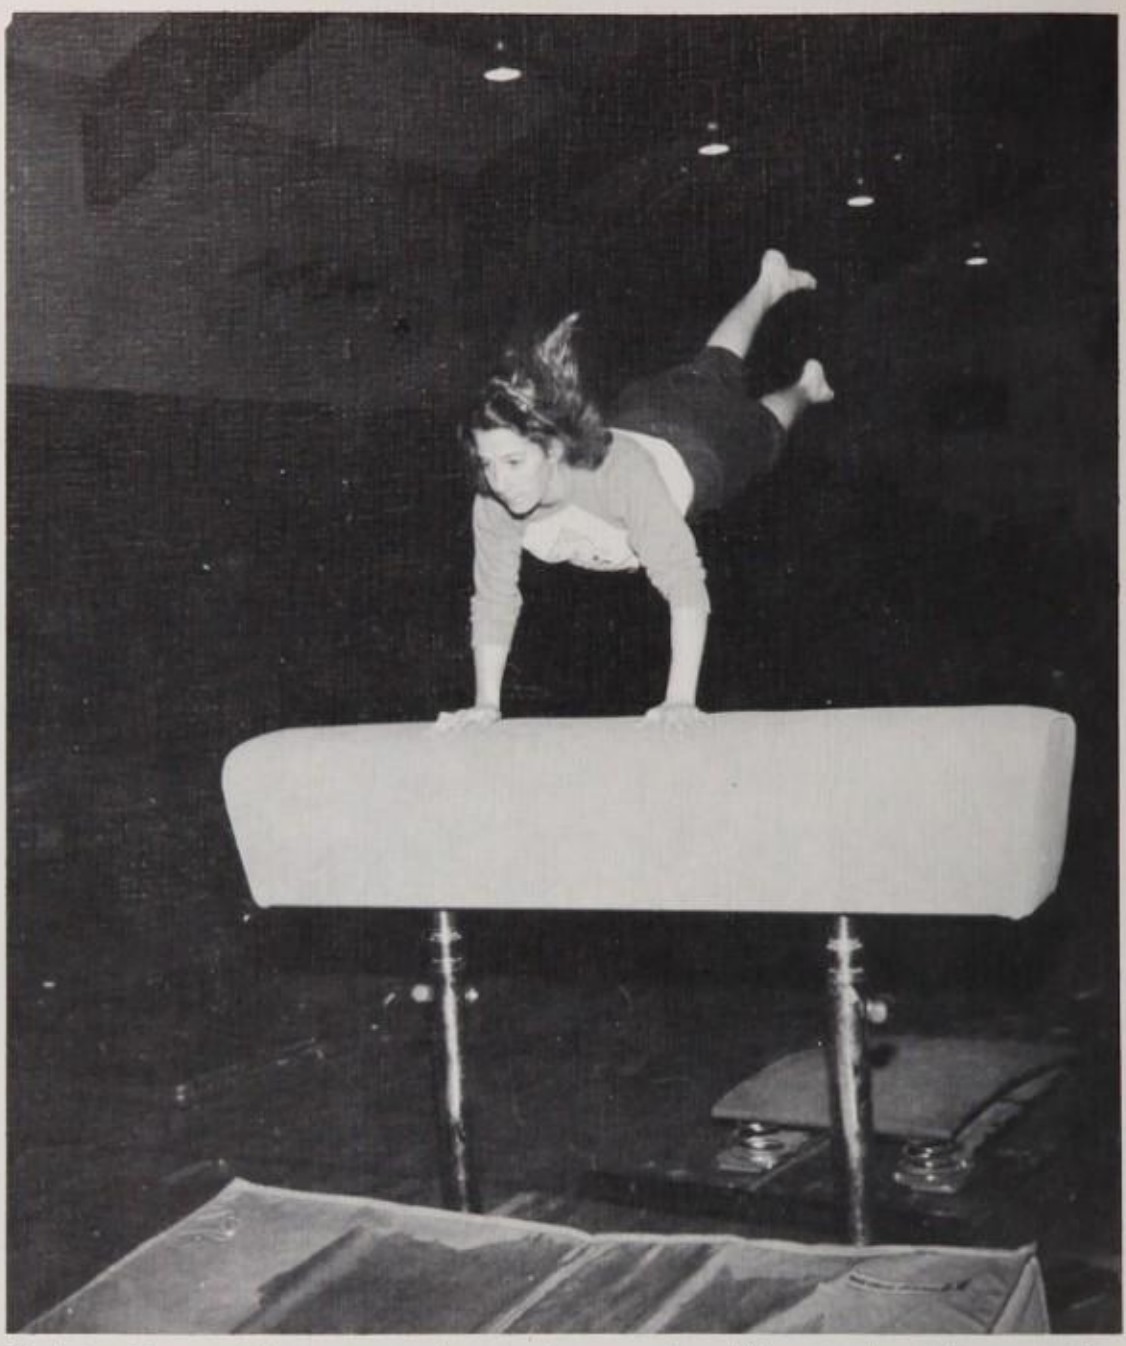
Gymnasts tumble into season

Kathy Lyons performs a front flip off the balance beam during a practice in the gym. Lyons has been a strong competitor during the season.



Christine Cortopassi demonstrates her precise expertise while preparing to leap over the vault.

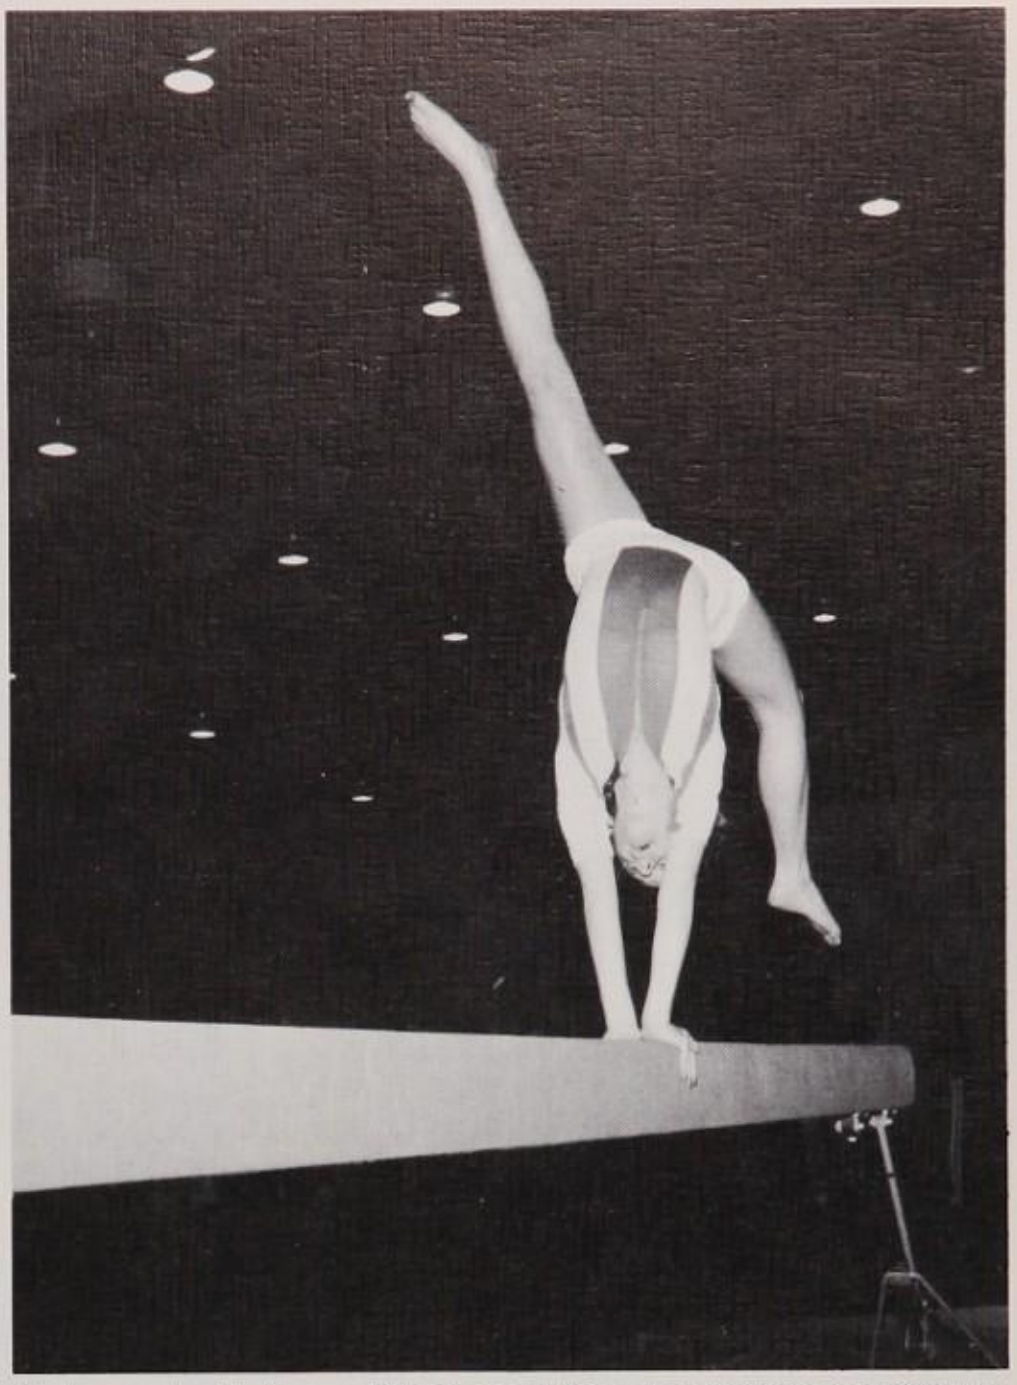
Under the guidance of Coach Janis Romo, the Girls' Gymnastics Team is expecting another good season in the Bay League, and they hope to do well in CIF competition. Vickie Roach and Naomi Shibuya are two excellent All-League gymnasts who are returning. They both are expected to be strong all-round competitors.

Co-captains, Sue Dougherty and Eileen Stewart, should prove to be great assets to the team, with great ability aided by experience.

Other outstanding members of the team are: Gail Nesheim, Nanette Feldman, Angela Ewing, and Linda Harrington.

Eileen Stewart performs a split leap during a workout. This gymnastic feat is one of Stewart's many talents.

Eileen Stewart and Beth Bryson spot Teresa Maynard as she rolls out of a handstand on the beam. Gymnasts who compete on the beam must possess poise and complete concentration.



During a workout in the gym, Beth Bryson exhibits a back walkover on the balance beam, a difficult maneuver.

Baseball hits its stride early

If experience and depth are the key to a highly successful season, then the Titan Varsity Baseball Team appears to be in excellent condition this year. With six returning starters, including all-league performers, Mitch Adair and Eric Schaeffer, the Titans are the most experienced team in the Bay League. Coach Poe maintains that if the team plays to their potential, they will be as good as anyone around, which is an impressive statement considering the 1978 Titan squad was the Bay League Champion.

Heading up the experienced pitching staff is Senior Eric Schaeffer, joined by Forest Cope and Andy Soltis. Believed to be the strongest staff in the school's history, all three will see much action this year and are expected to improve upon last year's high standards.

Kevin Moen and Kevin Rhodes will play behind the plate. Moen, a multi-talented athlete and returning Varsity player, is also expected to act as a designated hitter.

The infield, manned by standouts, first baseman Mel Kern and shortstop Chris Harris, combines good speed with accuracy. Second baseman Fred Tung and third baseman Don Mosich are also both good defensive and offensive players.

Seniors Mitch Adair, Dave Yesnick, and Rob Woods, and Junior Ed St. Geme comprise the strong outfield. Adair is also very good offensively and is described by Poe as a great clutch hitter.

The Titans are expected to lead the pack against West, El Segundo, and Palos Verdes in their quest for the 1979 Bay League Championship. As shown by early season results, RH may well be on its way to a second league title.

Varsity Senior, Eric Schaefer, with his fine breaking pitch, throws another strike-out in this important game.

Returning Varsity centerfielder, Kevin Moen, dives back to first base as a Jordan pitcher tries to pick him off. Moen is expected to have an exceptional year both offensively and defensively.

Varsity shortstop Chris Harris receives the ball to tag out his sliding opponent. Harris has been a vital asset to the team this season.

Varsity first baseman, Melvin Kern, puts all his power into this swing, hoping for a homerun. Kern is the team's designated hitter. He is also a returning letterman.

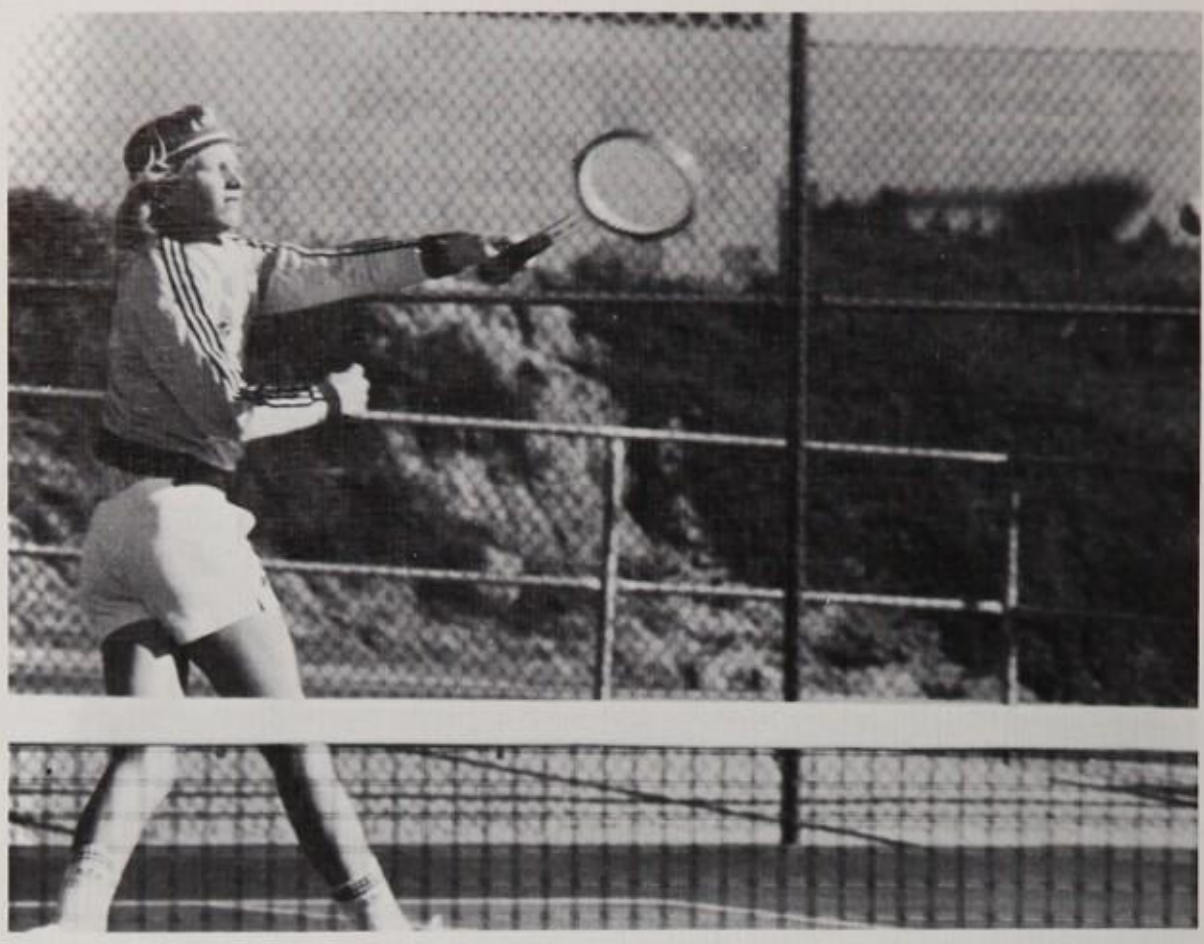
JV BASEBALL: **Front Row** — D. Raio, D. Dorfman, R. Yoklavich, B. Moody; **Row 2** — R. Jemison, F. Porter, R. Mosich, M. Moody; **Row 3** — Coach B. Pier, B. Berlin, R. Wilkes, B. Rogers; **Row 4** — C. Albright, B. Bierley, J. Bento.

Tennis Team nets victories in opening matches

The Boys' Tennis Team did very well this year in their pre-season matches, with a 6-1 record. The Varsity Team was backed by Chris Wolff and Mike Flanders. At the beginning of the season, Sophomore Varsity player, Alex Cioth, was cut out of play with an injury. Coach Bill Ryan said, however, "The teams are continuing to do well, and we are all hopeful for the division championship and possibly the Bay League Championship."

John Wallace, Nick Getz, Robert McKie, Chris Wolff, and Mike Flanders of the Varsity all turned in excellent performances.

The Junior Varsity Team boasted the skills of Robert Vanderlip, Jeff Vanderlip, Andy Greenthal, and Don Trapp. These players each exhibited a great deal of expertise.



Varsity player Chris Wolff closes his eyes, hoping he will score off his opponent in this important match.

Varsity player Kasey Colter prepares to bunt as an opponent looks on.

"This year's Girls' Varsity Softball Team faces a tough Bay League, with such competitors as North and El Segundo," said Coach Bill Barnett, who has coached Varsity for four years.

The team expects to do well this season and entertains high hopes for CIF. The girls face two upcoming tournaments, including the North Torrance Tournament in which they're seeded 4th, and the Hawthorne Tournament. Strong hitting is expected from Kelly Campbell, Sandy Harris, and Co-Captains Lori Adler and Laura Wilson.

Track vaults to success

The 1979 Varsity Track Team has the returning depth from last year's Bay League Champions. In hopes of repeating the feat, Coaches Doug Eckert and Richard Belcher help the team captains, Tom Wetherell, Chris Micek, Sky Peterson, and Chris Gardner, lead a team of many outstanding athletes. Some of these standouts are Mark Clark, Kirk Howard, Oliver Donan, Eric Stassforth, John Stulman, Chris Micek, Tom Wetherell, Tim Lawrence, and Greg Irwin.

The Sophomores, another returning Bay League Championship Team, boasts such athletes as sprinter John Karpie and distance runners Chris Bowlus and John Plummer.

The Freshman Team looks very strong also. After winning the Bay League Cross Country Championship, the Frosh distance runners will be a strong asset this season. Mike Markx and Paul Collins illustrate the needed strength.

Varsity track standout, Chris La Force, stretches out to his maximum potential in the triple jump. RH beat Santa Monica to put them in excellent standing for the year.

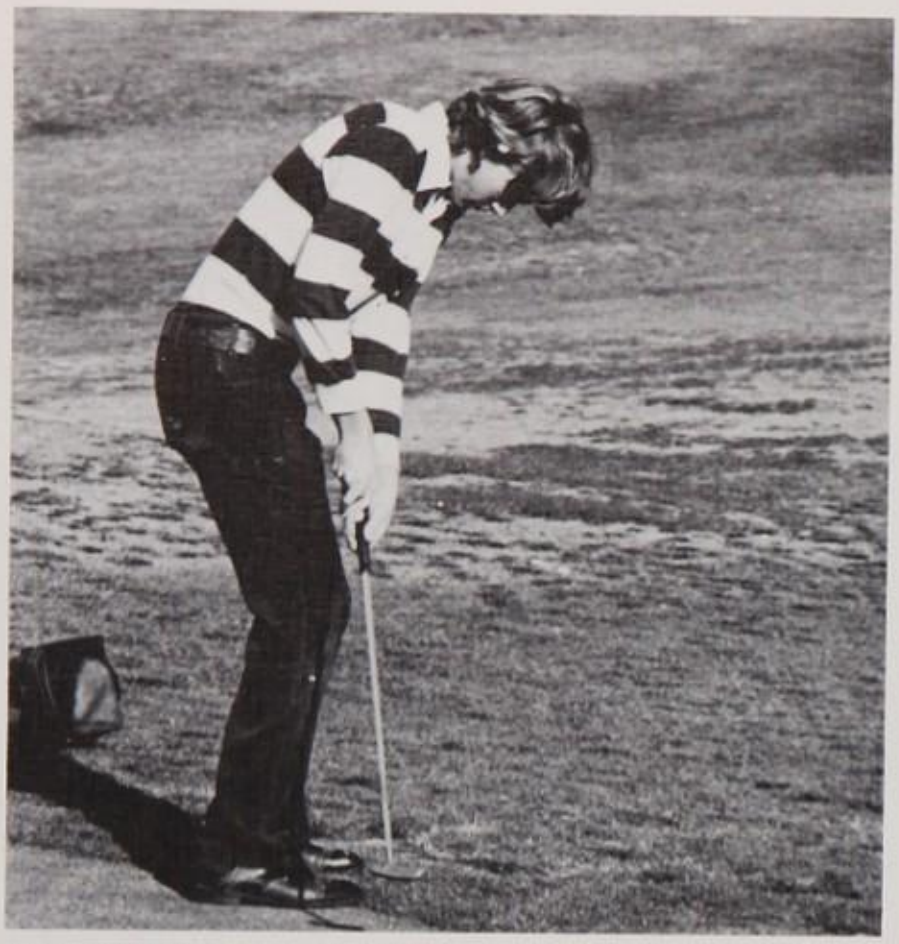
Award-winning long distance runner Michele Bush never lets up.

This year's Rolling Hills Girls' Track Team is favored to win the Bay League. Along with a lot of talent, the girls on the Varsity have been running together for the last three years.

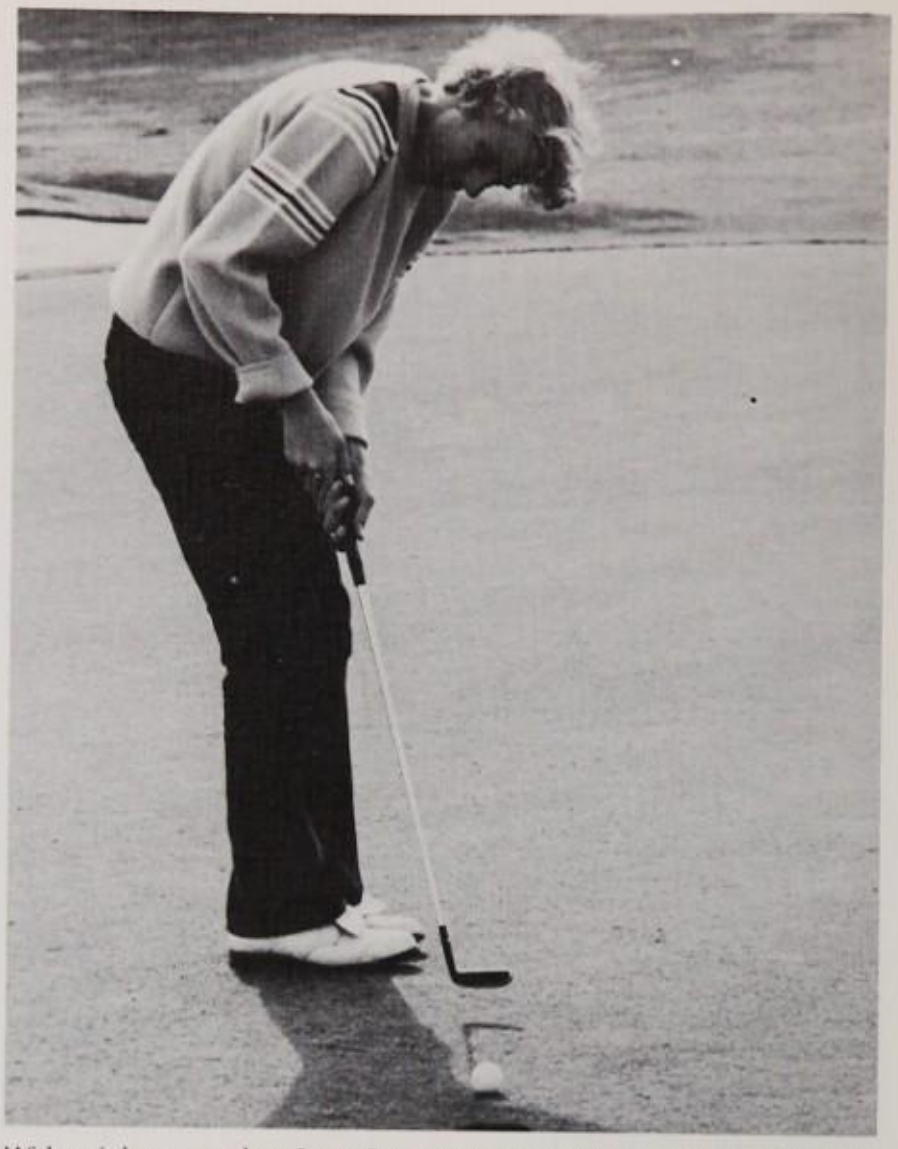
Michele Bush, an award-winning State Champion, will be entered in the 800, the mile, and she will also anchor the mile relay team. Racheal Savage is the favorite in sprints, Nancy Hansen in hurdles, and Karen Yee and Beckie Landon in distance.

Even under new coaching, the girls show maturity and experience against their toughest competitor, Santa Monica, whom they beat in a home meet.

With the overall strength and experience evidenced in their opening track meets, one should plan on watching the girls go on to earn a CIF berth.



Titan Golf Team member, Clay Crolius, makes a long outside putt. Crolius was a consistent performer all year long for the Rolling Hills Golf Team.



With a sinker a sure bet, Steve Ross takes extra special care not to blow it. Notice the determined look he has while assessing the situation.

Bill Cusato makes a chip shot for the green at Los Verdes Golf Club. Los Verdes is the Titans' home golf course.

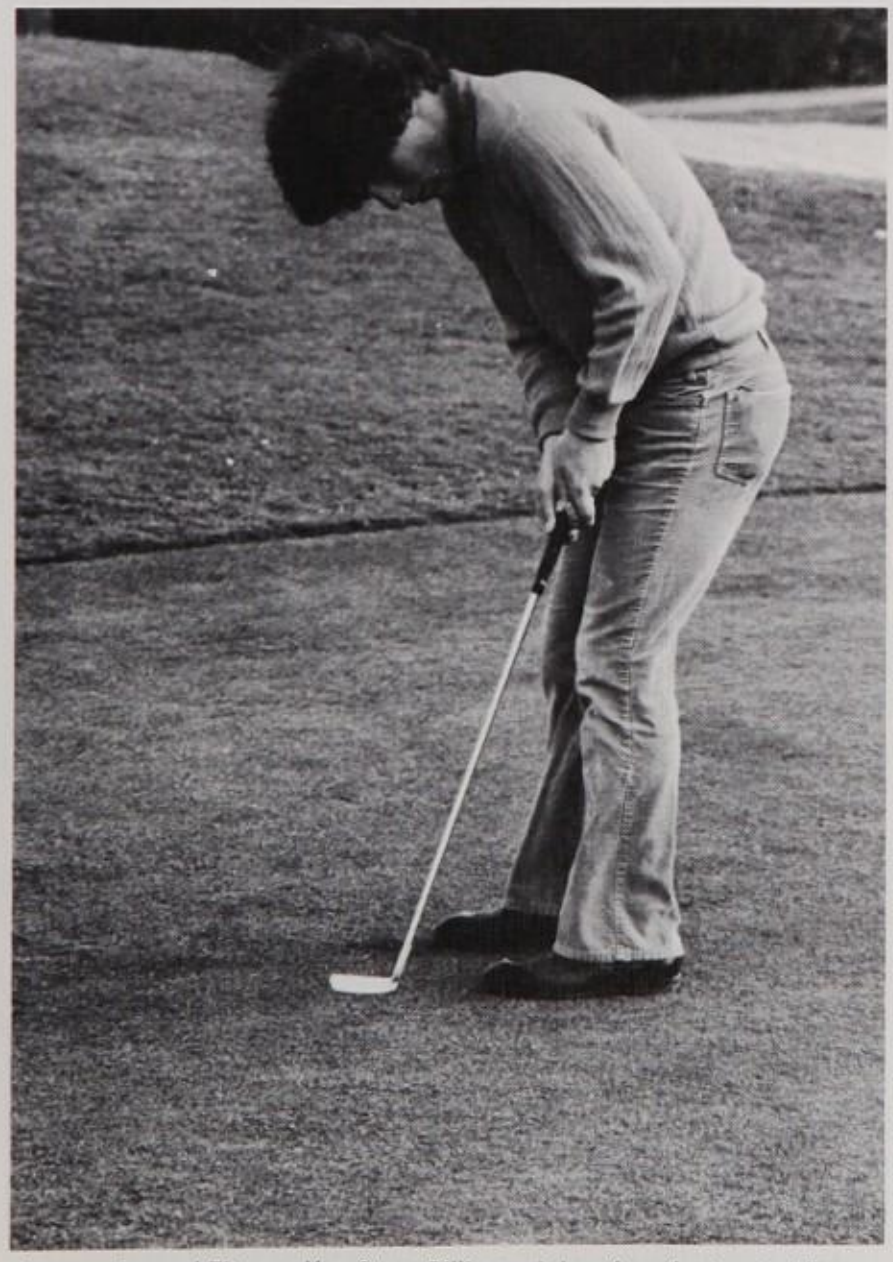
Golfers swing into season with confidence

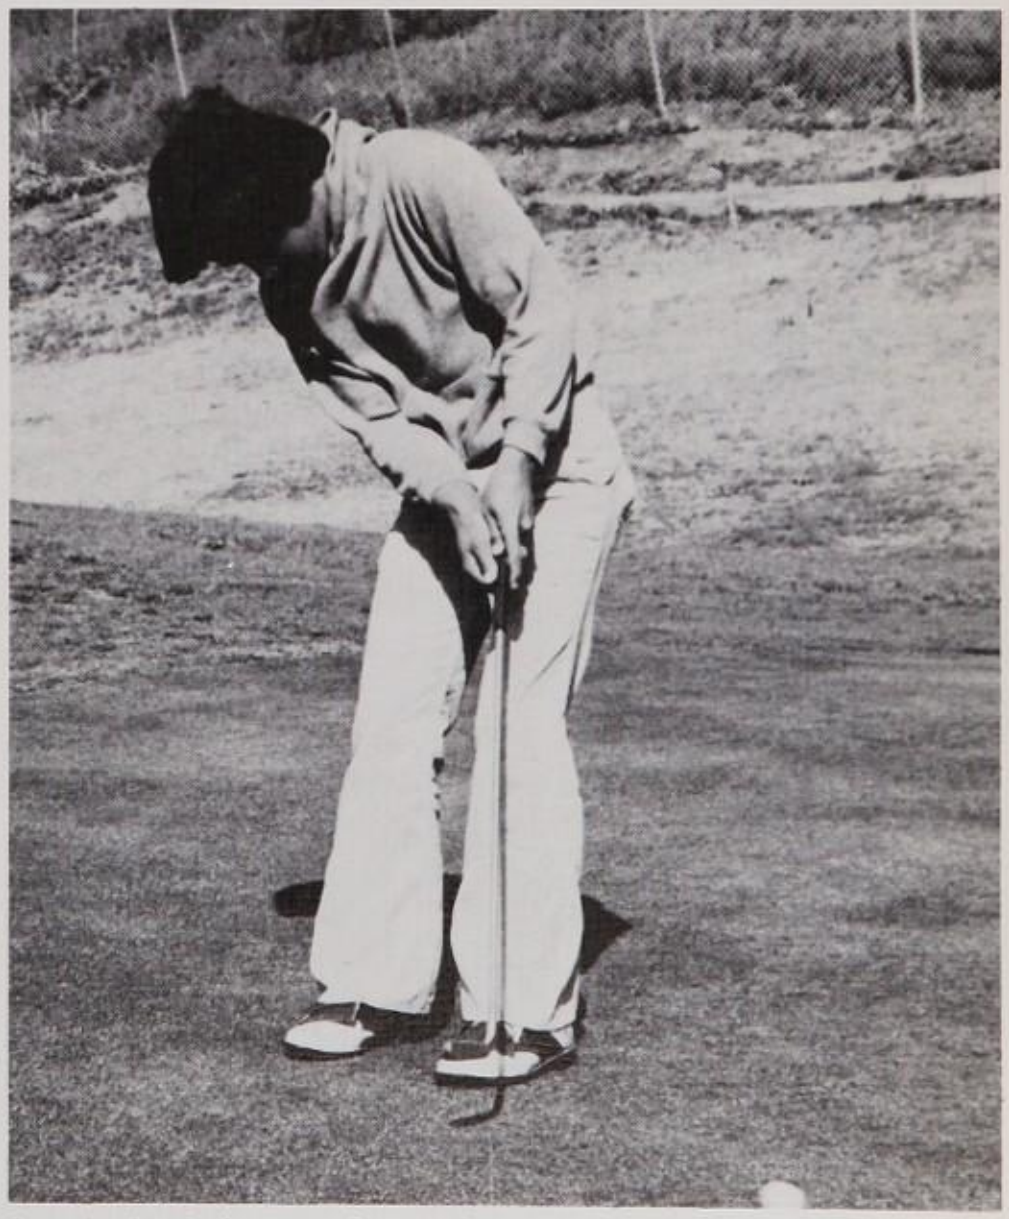
Jerry Hester, Titan golf star, tees off at the beginning of another Titan golf match. In the background, Coach J. Kestenberg looks on to check Hester's stance and also to see where the ball is headed.

The Golf Team brought impeccable tradition and unparalled experience into this season. Ignited by four-year-letterman Dean Gulbrandson and a troupe of CIF individual qualifiers, which included Seniors Steve Billings, Bill Cusato, and Dan Kleiner, and Juniors Jerry Hester and Bruce Nakamura, the Titans once again hacked through their opponents with ease, as they tried to keep pace with last year's 11-0 Bay League Championship team.

The team visited the many sprawling courses for which Southern California is noted and left each with a fine reputation. Coach Jerry Kestenberg feels his team has enough talent and motivation to capture the coveted CIF championship.



An experienced Titan golfer, Steve Billings, sinks a four-foot putt. All team members were great on the greens, as well as demonstrating a high level of proficiency in driving.



Returning Varsity letterman Bruce Nakamura concentrates as he prepares to putt the ball.

Swimmers make big splash at CIF

A small turnout was evidently not an obstacle which the 1979 Swim Team had to overcome. Despite the lack of a large number of participants, the team managed to capture 2nd place in the Bay League and send swimmers to CIF in four different events.

Placing 1st in CIF in the 200-yard Freestyle Relay Team, Mike McGee, Richard Henke, Bob Conlin, and Marc Matulich all showed their mettle. Other highlights in CIF competition were: Ray Menzie capturing 1st place in the 50-yard-Freestyle, 3rd place in the 200-yard Individual Medley, and 3rd in the 100-yard Butterfly; Bob Conlin placed first at league finals in the 100-yard Freestyle.

The excellent performances by the team not withstanding, Coach Akins felt that as a whole the boys didn't always swim up to their full potential. And with a number of graduating seniors this year, next year will probably be one of rebuilding.

Rolling Hills swimmers, Cecilia Duran and Mary Skinner, take a break while watching the other swim team members finish up their laps during a vigorous practice session.

The Girls' Swim Team anticipates some tough competition in Bay League this year. Under the new coaching of Kathi Bianchi, the team is hoping, however, to swim the distance to CIF. The team has had a lot of hard workouts, and they are most confident in themselves.

Along with coaching this team and the volleyball squad, Ms. Bianchi also coaches the Girls' Diving Team. With many returning divers, Coach Bianchi feels that the experience will count for a great deal in the eventual success of the team.

With teachers finally having entered into a contract this year, the School Administration has had the responsibility of implementing it, a task which has not always been easy. There has also been the challenge of the WASC Evaluation and its numerous reporting procedures. Maintenance of the physical plant with reduced personnel has been still another problem which Mr. Lawrence and his assistants have had to deal with. In every case, our principal has demonstrated his empathy and concern for teachers and his desire to establish the very best learning environment possible.

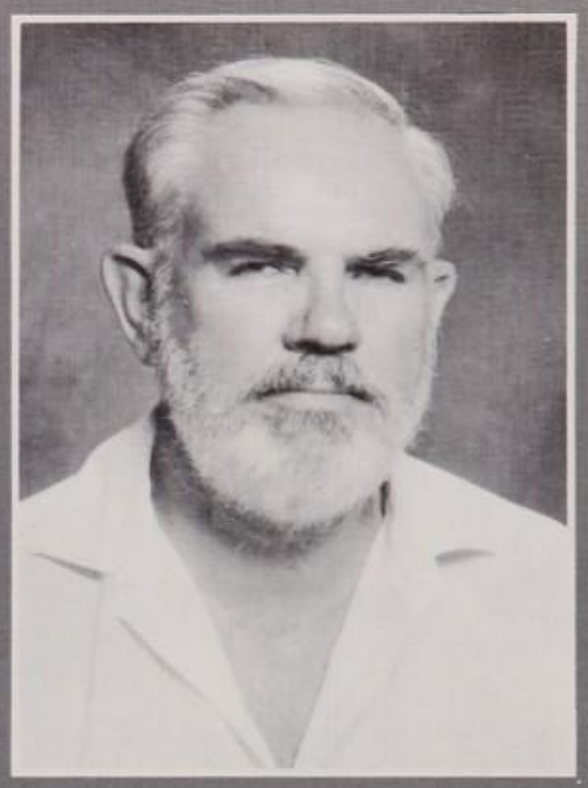
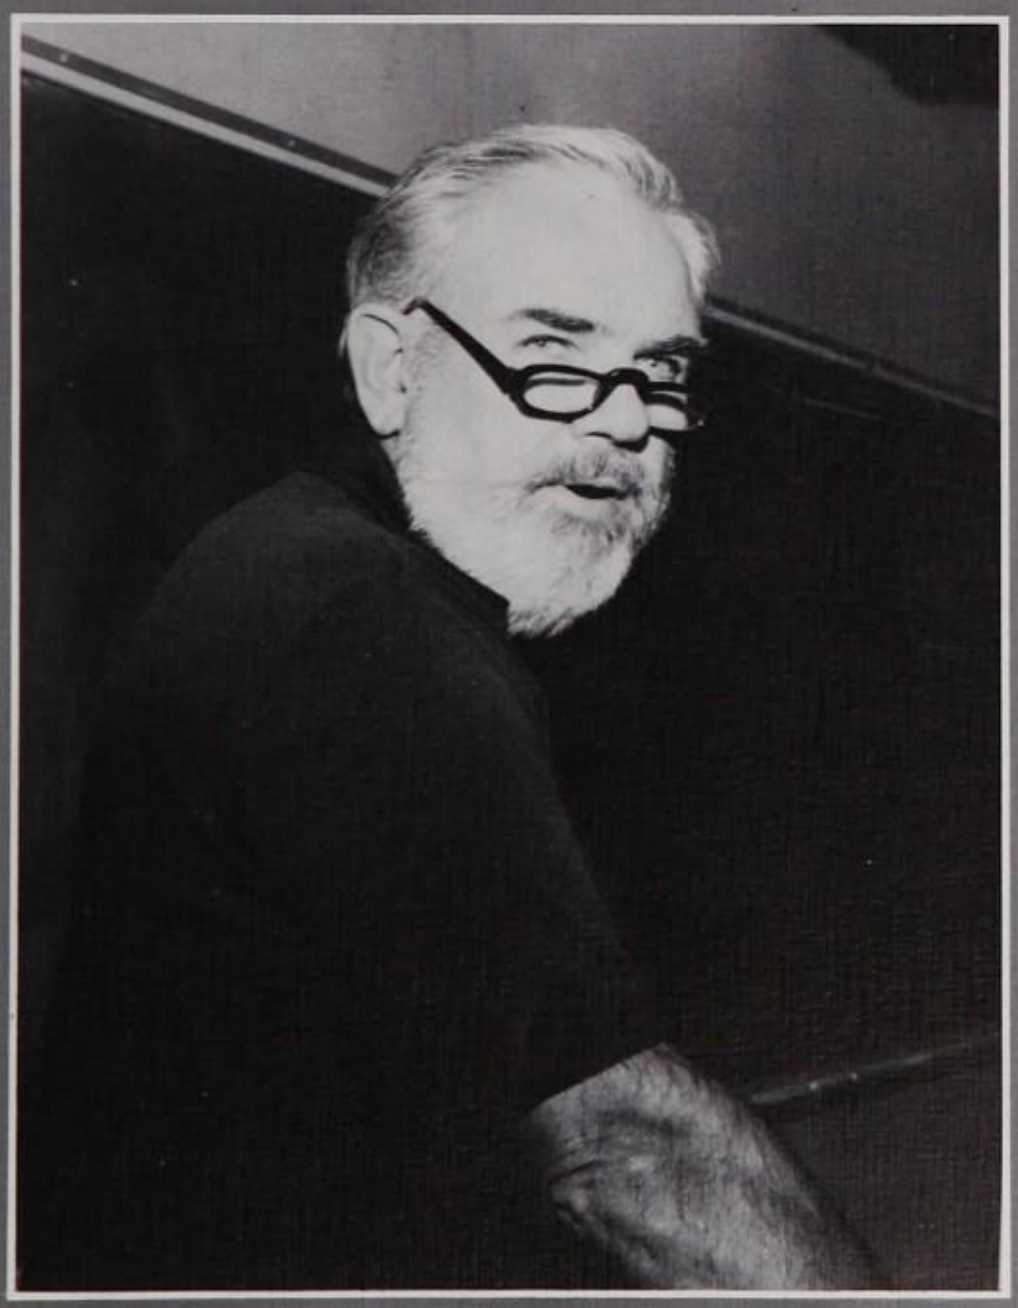
In Memoriam



Tremaine Smith (1919-1978)



The world is so empty if one thinks only of mountains, rivers, and cities; but to know someone who thinks and feels with us, and who, though distant, is close to us in spirit, this makes the earth for us an inhabited garden.
Johann Wolfgang von Goethe

Rolling Hills teacher, Mr. Tremaine Smith, died November 15, 1978, of a massive coronary. Fifty-nine-year-old Mr. Smith was survived by his wife and three children. He had taught at Rolling Hills since the opening of the school in 1964. A retired U.S. Army Lieutenant Colonel, Mr. Smith had an English major, with a math minor, from Portland State. During his teaching years, he continued to pursue his education by taking classes at USC and Loyola University of Los Angeles. He was an excellent educator. He was a man respected and beloved by both his students and his colleagues. His presence is sorely missed.

In practically every aspect of daily living, math is one of the most useful and essential skills a student can hope to master. Students at RH are given many opportunities to learn mathematical techniques. Courses range from Geometry to Algebra Prep to Calculus, giving the individual a chance to develop a well-rounded math background. Many students choose to pursue mathematics as a hobby, contributing to the math club on campus and attending various competitions which test the abilities they have acquired.

Learning a foreign language is a cornerstone in communicating with people of other nationalities. Europe, the Orient, South America — all become closer to us as we learn to speak the native tongue. Language can aid in breaking down cultural barriers in our own society, as well as across the sea.

Although speaking Spanish comes very easily to Mr. Melton, it is not that way for all his students. Here he illustrates to a pupil a Spanish cliché.

Foreign Language twists the tongue

Music, Drama, Library provide enrichment

For those with a flair for music and drama, RH offers the best in these two programs. The Marching Band, Orchestra, and Choir Groups consistently give outstanding performances, both on and off campus. They receive top competitive awards each year for their excellence. The Drama Department too is noted for its quality and professionalism. Traditionally, drama students present a fall play and a spring musical, each of the highest calibre.

To provide the intellectual stimulation which our students demand, the Rolling Hills library is at the center of campus life, supplying books, pamphlets, newspapers, magazines, records, and films to meet the needs of our students. Music, drama, and the library resource combine to offer splendid enrichment for the individual.

Health/Driver's Education is a required course here at Rolling Hills. It is divided into two parts: the health course takes students through the basics of good health, nutrition, and safety. It educates the student on the danger of drugs; the driver's education portion of the curriculum informs students of the rules and regulations governing the road.

The Continuation School at Mar Vista was closed effective 1978, and its counterpart was established to some extent at RH, under the leadership of Mr. Christenson. The program offers an alternative form of education.

REFLECTIONS

Reflections —

A representation of our varied nature as determined by the many individuals who composed the Rolling Hills Student Body in 1979.

The experiences we share during these years shape our identity and enrich our background. Whether struggling to achieve a scholastic goal or simply enjoying time with friends, we gain a better understanding of ourselves and others.

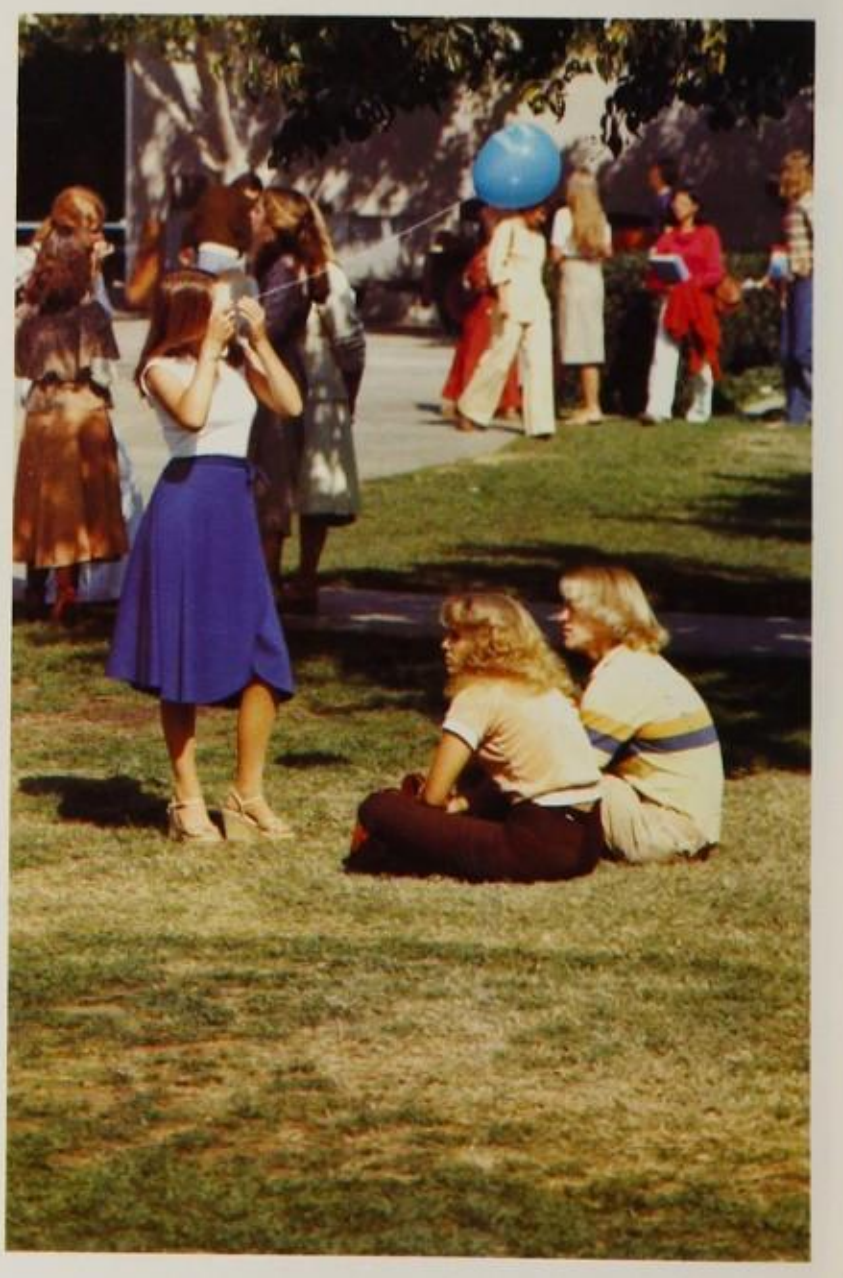
Yes, We're



Images of those who present their personality in many ways. By creating, sharing, and pursuing our diverse interests, we form a complete picture of student participation.

Although the qualities of our character differ, we all strive to express a common concern for the development of our own talents and ambitions.

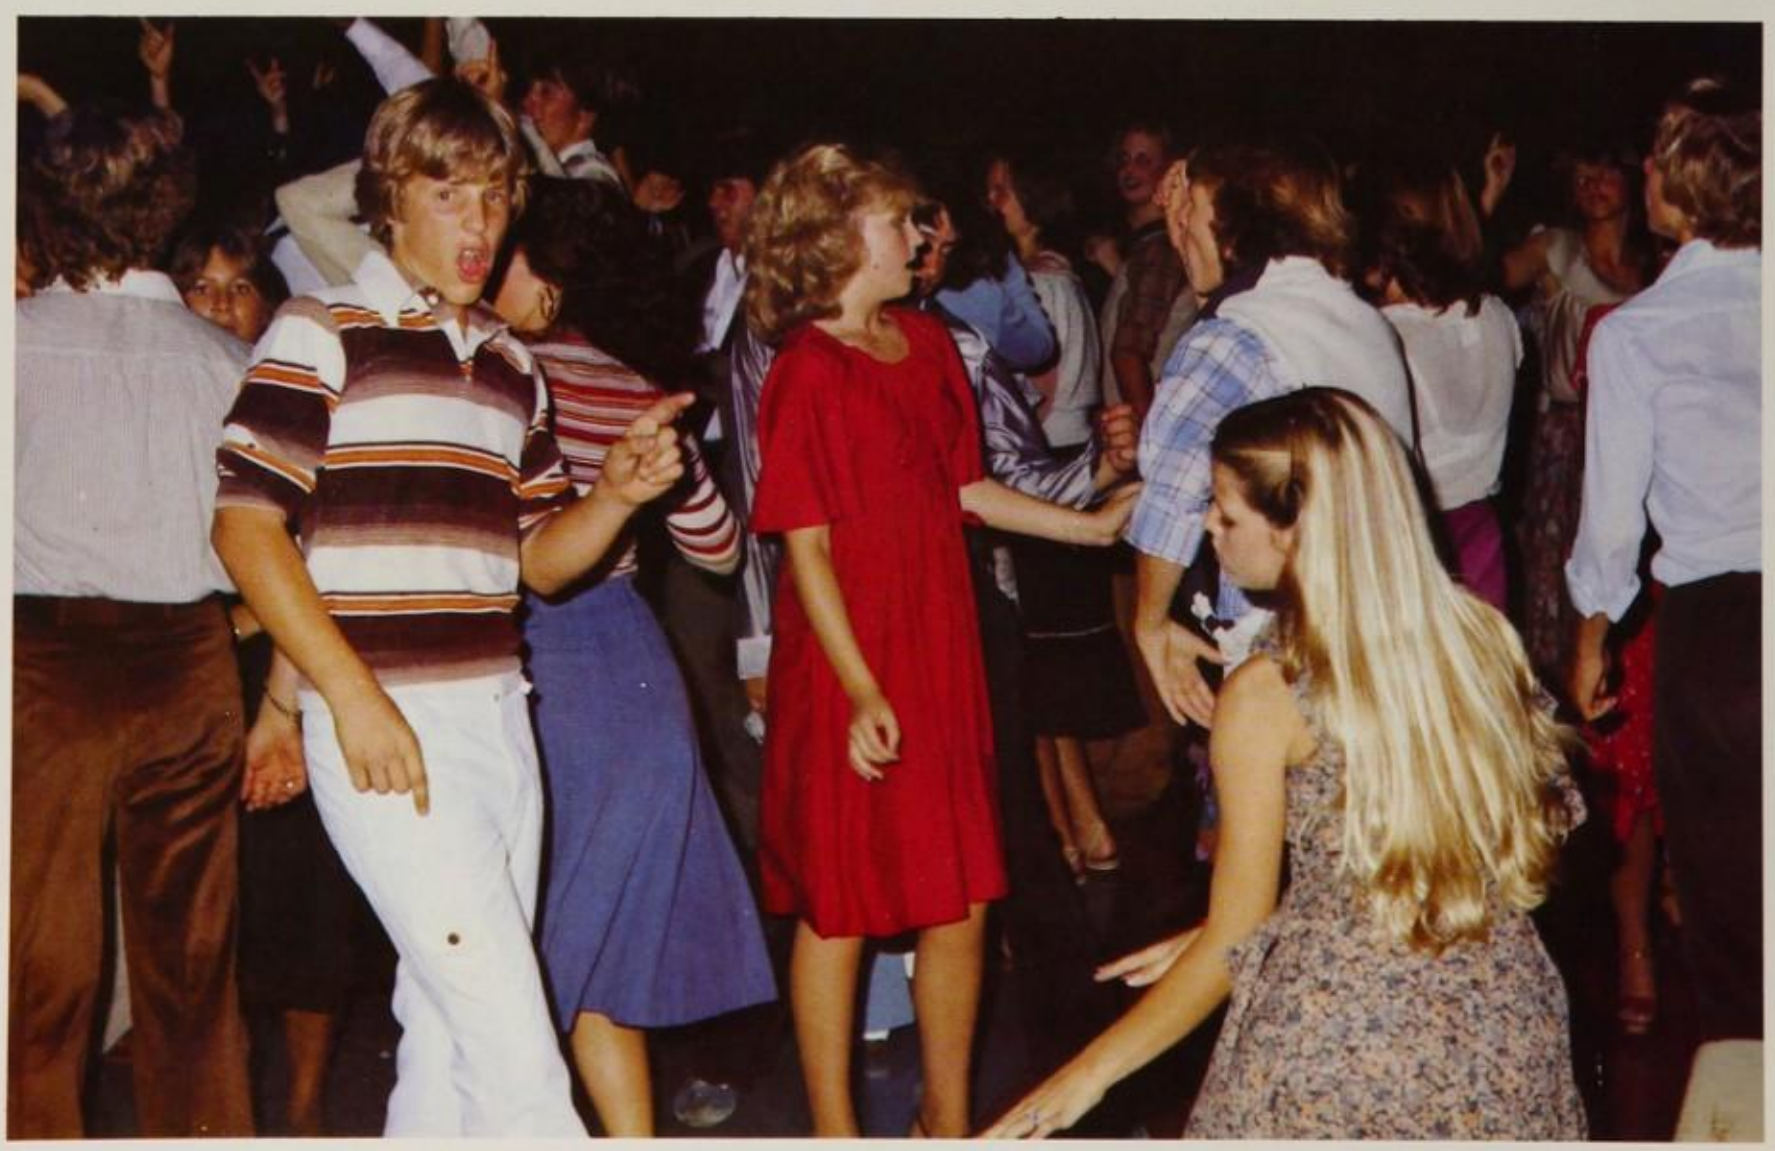
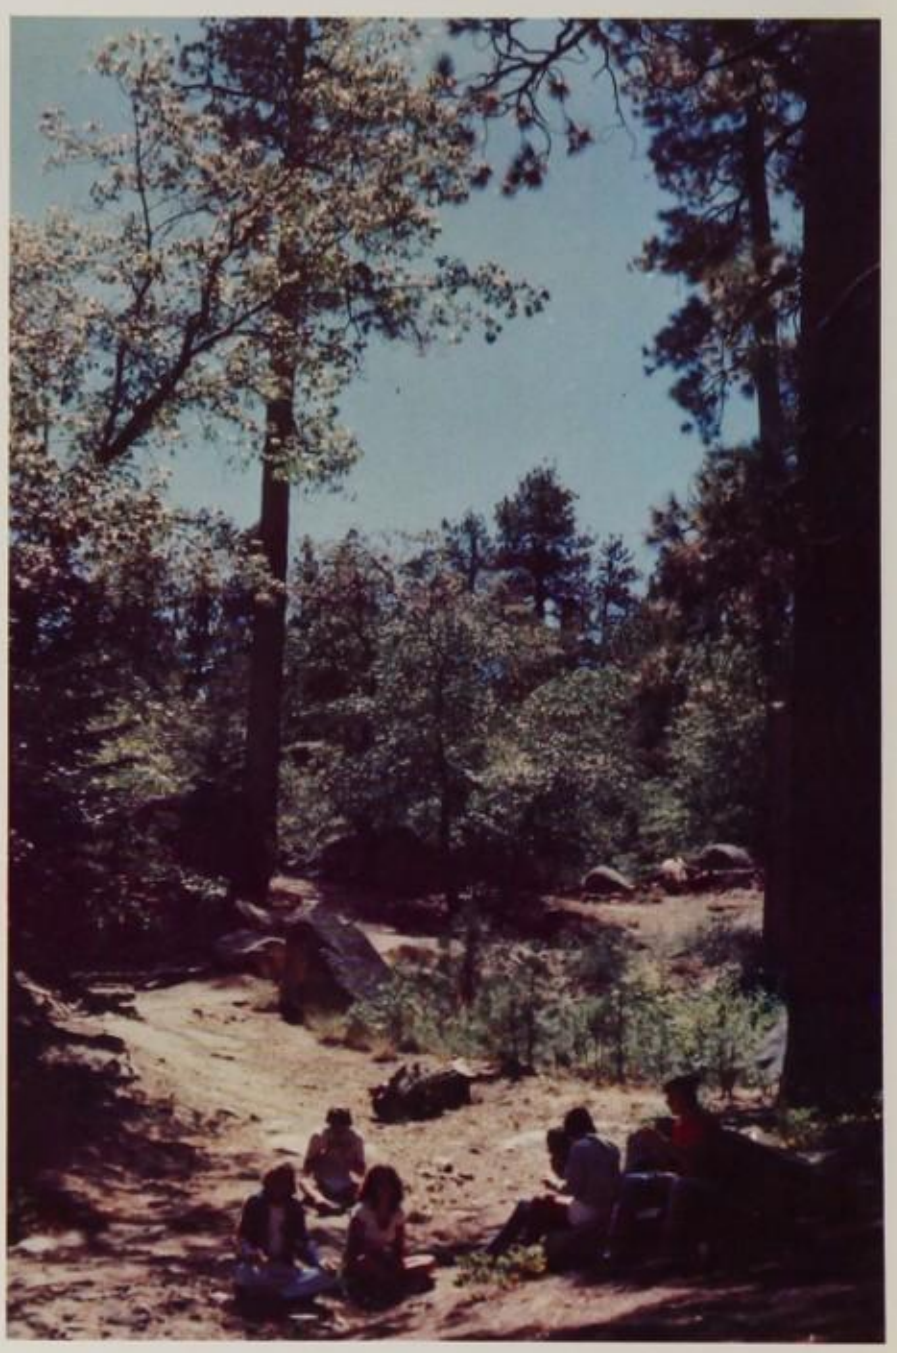
SHOW

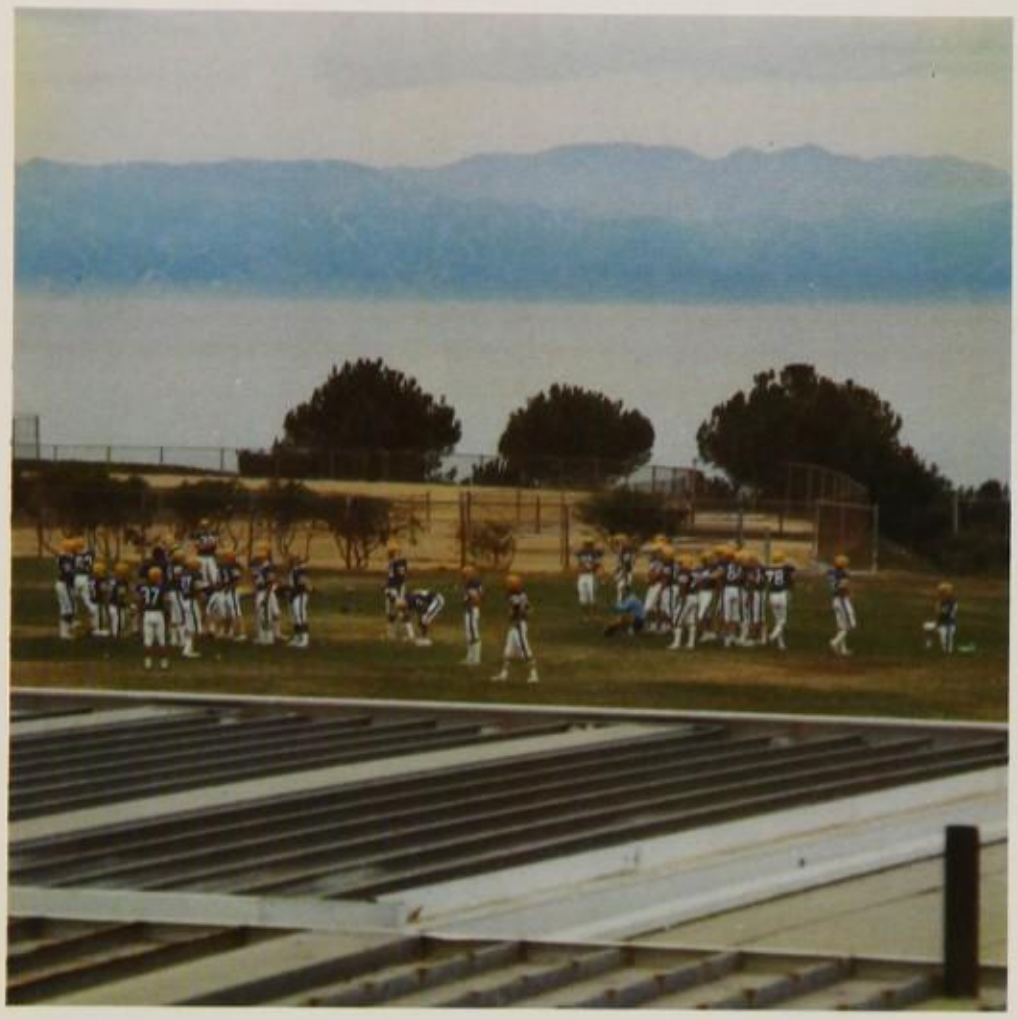


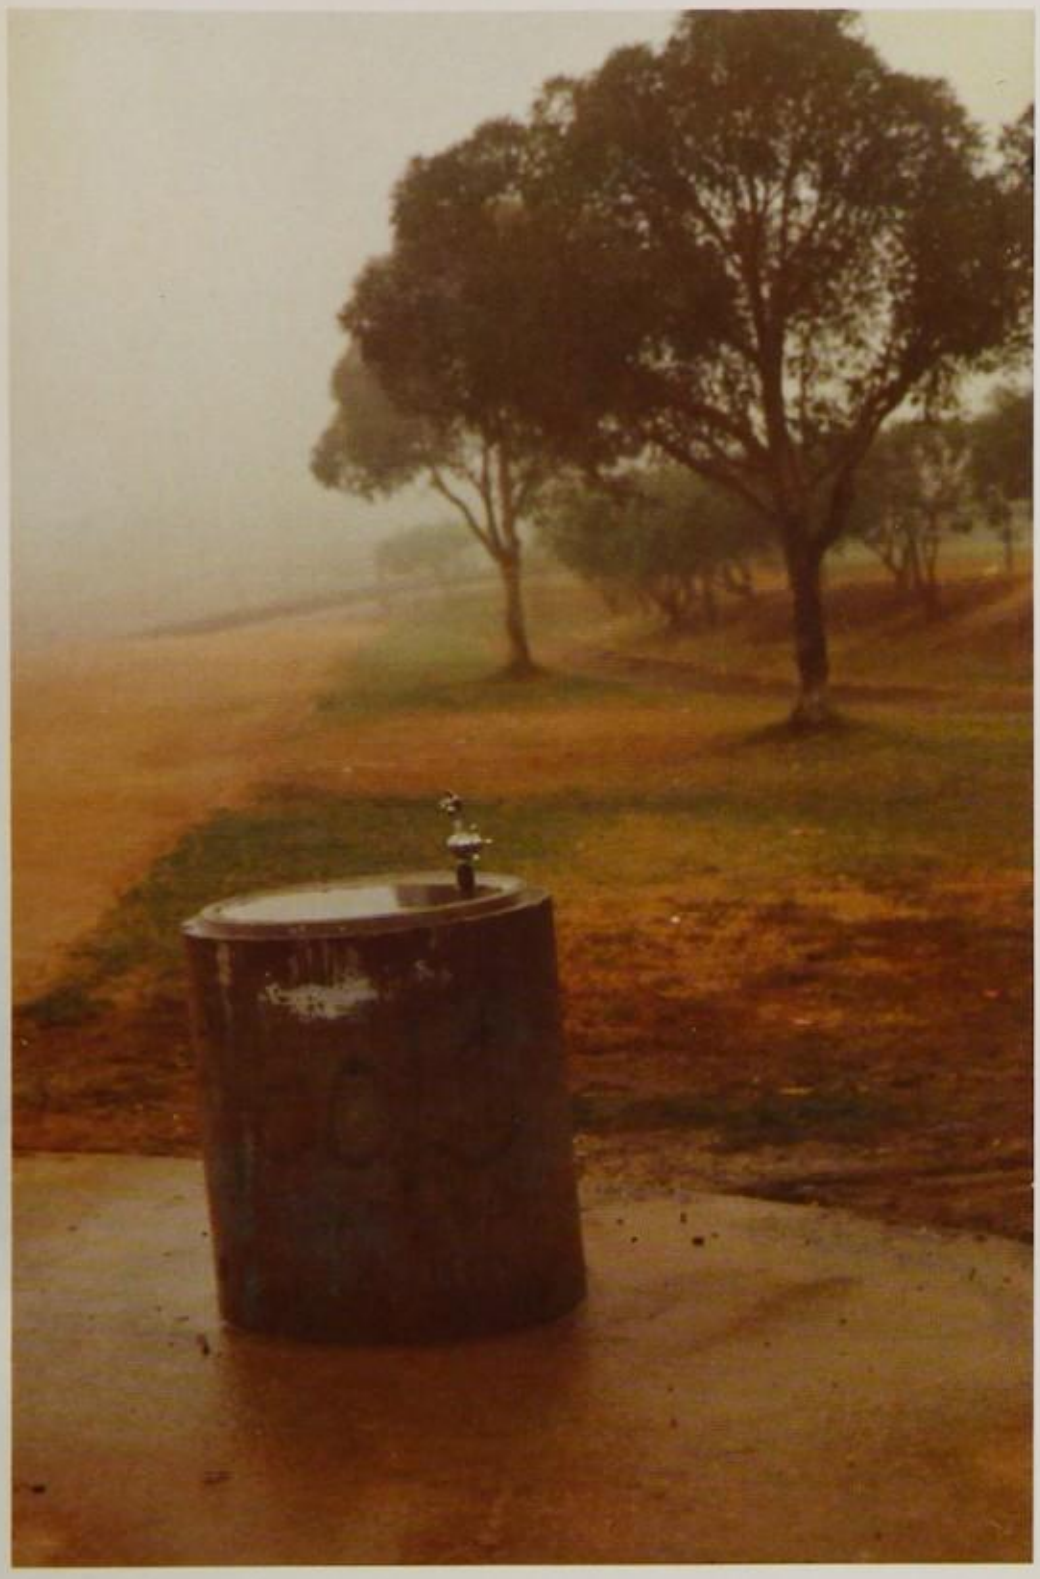
A remembrance of past events encompasses activities ranging from a Homecoming celebration to the difficulties encountered in self-scheduling. Yet, however different, each action is a reflection of our campus involvement with the people who made these years memorable.

A changing of attitudes and awareness is illustrated by the ways in which we devote our time and energy to several endeavors in 1979.



REFLECTIONS





Reflections —

A portrayal of the people and environment in which we grew in understanding and now look towards our expectations of the future.

From the Editor's desk

To summarize this year in one page is an impossible task, and one I know could never be written. However, the time has at last come to a close, and I find it difficult to express all the feelings and memories experienced while on this staff. Who would have thought that one group, united by a single goal, could have turned out to be such a party, headache, frustration, and, most of all, a joy to work with? From frantic deadlines and midnight crises to the ever-present laughter and perverted jokes, we finally made it.

I sincerely thank everyone who put in the dedication and perseverance it took to create the 1979 DELPHIAN, especially those who gave more than they were asked to give. To Steve Eddy, much appreciation for your patience and knowledge. And, most of all, to Bron, Chris, Sharon, and, especially, to our ever-caring advisor, Mrs. Pat Robertson, I hold deep gratitude and respect for you and your talents. Thanks for being there when nothing else seemed to go right.

When I think back on all the good times we've had, it's really hard to say goodbye to all the special people who made this book, and this year, a great one. It's been a total hassle and a terrific experience — but, most of all, it's been truly worth it.

TITAN makes news

The TITAN Staff once again demonstrates their hard-working and efficient attitude as they discuss their latest effort to resemble an interesting campus newspaper.

Carrie Miller, Editor-in-Chief

Dave Merenbach, Russell Bell — News Editors

Pat Robertson, once again the staunch leader of that motley crew, the TITAN staff, forces a smile in honor of her infamous students.

The irrepressible Leona Hiraoka pounds away at the Compugraphic typesetter while Stan Newcomb, fearless reporter, acts as bodyguard.

DELPHIAN — a group of talented and crazy people either working to meet that final deadline — or more frequently planning for a party that night.

Photogs who could never find the right negatives, who were never given the correct sizes, and who seldom printed pics right the first time.

Rookies who didn't know, admitting they didn't know, and editors who also didn't know, but never let on.

Wild times in weird places: from San Jose to the gutters of Pasadena and back again to H-62.

A special language no one else would even want to know.

D. S. & D — and all the gang —

Too frequent disasters, and always found solutions.

Mrs. R. who always urged perfection, believing firmly that we could really achieve it.

The complete satisfaction of a job finally completed.

But most of all, a time we shall never forget.

Bron Galleran, Chris Emmanouilides — Head Photographers

Tracy Kaperl displays immense gratification as her section's deadline is met, only after much gorging on pizza and doughnuts.

Rob Nordquist, Cindy Scharf, and Leslie Sears demonstrate a commonly broken staff proverb — "See no evil, speak no evil, hear no evil."
